#### **NOTICE TO PUBLIC**

Members of the public may address the Board of Directors on a topic not on the agenda but within the jurisdiction of the Board of Directors or on the consent agenda by approaching the Board during consideration of Agenda Item #2 "Oral and Written Communications", under Section I. Presentations will be limited in time in accordance with District Resolution 69-2-1.

When addressing the Board, the individual may, but is not required to, provide his/her name and address in an audible tone for the record.

Members of the public may address the Board of Directors on a topic on the agenda by approaching the Board immediately after presentation of the staff report but before the Board of Directors' deliberation on the topic to be addressed. Presentations will be limited in time in accordance with District Resolution 69-2-1.

The Santa Cruz Metropolitan Transit District does not discriminate on the basis of disability. The Encinal Conference Room is located in an accessible facility. Any person who requires an accommodation or an auxiliary aid or service to participate in the meeting, please contact Cindi Thomas at 831-426-6080 as soon as possible in advance of the Board of Directors meeting. Hearing impaired individuals should call 711 for assistance in contacting METRO regarding special requirements to participate in the Board meeting. Board of Directors Santa Cruz Public Transportation 370 Encinal Suite 100 Santa Cruz, CA 95060

September 20, 2004

Dear Board of Directors,

Although I enjoy walking to work, I would prefer to ride the bus to my work. I was standing in front of my school at 115 Casserly Road, Watsonville, CA 95076 and I noticed a detour sign. I didn't know what it meant, so I waited for the bus to come but it never arrived. I walked home that day four miles into town: from the outskirts of Watsonville to the downtown. I own a car but I thought to myself, what would happen to a parent who lives downtown and wants to come out to our school? They would have to walk 4 miles as well. It's okay to walk but Highway 152 is dangerous for pedestrians, there are no sidewalks out here. The speed limit is 45 mph but many drivers do not respect the speed limit. The day I walked home, I realized the gravity of problem for this population living here in the outskirts of town or working in the outskirts of town. In closing, I implore you, please, reconsider servicing this area between Casserly Road and Highway 152 even if it would be twice or thrice a day.

Sincerely,

ju Carbajal

Gfaciela Vega Carbajal

James W. Lewis 2860 Lakeview Drive Santa Cruz, CA 95062

Board of Directors c/o Administrative Services Coordinator Santa Cruz Metropolitan Transit District 370 Encinal, Suite 100 Santa Cruz, CA 95060

Members of the Board of Directors,

Surely you have heard by now that the reorganization of Metro service to Live Oak surprised and dismayed customers on routes 65 and 67. I am writing to alert you as board members that not only was the reorganization unfair to customers, it wasted SCMTD money as well. The sensible change was to uniformly reduce service on all Live Oak lines (65, 66 and 67) to once per hour. Instead, one line was favored with no reductions, two lines which had served Live Oak for ~30 years were completely eliminated, and a wasteful new Live Oak line was added. A simple reduction to one bus per hour on all lines would have saved 50% more than this abortive reorganization and would have leveraged existing customers on the existing lines. Instead, elderly and disabled riders on several segments of the 65 and 67 routes have been left high and dry. I have not been able to trace any reason for this disastrous mistake other than the complaint to Jan Beautz by one resident of 30<sup>th</sup> Avenue who doesn't want the bus on his street. While satisfying neighbors is important, there have to be practical limits, as the district must well be aware of from its efforts to site its CNG fueling facility.

I ask the Board to consider the following proposal. Eliminate the new 68 line and uniformly serve the 65, 66 and 67 lines, once per hour, in alternate directions. Previously, two busses per hour were on each of those lines, passing in the middle. If my proposal is adopted, riders would still have access to one bus per hour with connections to wherever they want to go. The old service at twice the cost really didn't offer much more. I have heard that because more of Jan Beautz's constituents have been heard in this matter, she now acknowledges that a change will have to be made. Since there will be a change, it is important that this time we get it right. La Posada lost its service in this reorganization along with the old Community Hospital. This is an opportunity to fix that problem as well.

Your next meeting is on Encinal Street which is poorly served by the bus, so I suggest you make room for a discussion of the issue at your October 22 meeting. I hope affected customers will be able to attend and express their preferences regarding what sort of change should be made. Meanwhile I suggest you take a drive along the old 65 route in Live Oak and look at the shelters, engineered pull-outs and other expensive infrastructure (some of it built just this year) we will all be walking away from if service is not restored. Ask yourself as you pass those abandoned stops whether it wouldn't be better to both have passengers getting on there and save 50% more.

Simerely, amesteirs 

James W. Lewis

September 26, 2004 28 SEP

2205 Brommer St. #55 Santa Cruz California, 95002 Saptember 24, 2004

Open Letter to Board of Directors County of Santa Zruz Metro System 370 Encilal St. Suite 100 Santa Cruz, California

Dear Sirs

You have cancelled the #65 Bus Routs on Brommer St. and left many people unable to get around. Many of these people are in their sixties if not actually septuagenarians of octogenerians. No convient bus service leaves them stranded at home.

Yes, we know you have a #53 bus route that runs from 17th Ave; to 38th Ave. on Brommer St. However! It only goes to the Capitola Mail. It does not travel into Santa Cruz. And, one could take the #53 to the Mail, get onto a #69W bus ride to the end of 41stAve., get off cross the street and take a #69 bus inbound to Santa Cruz. Do you know how much energy it takes for an elderly person to "hop-on and off" a bus? Let alone cross 41st Ave. and Soquel Drive to catch a bus?

Therefore this leaves us with one alternative--to wit: If one has the energy to walk for 15 - 20 minutes to 17th Ave. for an inbound #66 bus; or, walk 25 - 30 minutes to Capitola Road and get on a #69bus inbound to Santa Cruz.

What are we to do in inclement weather? Or have to push a loaded 4-wheel grocery cart that far to reach home? Did you stop to think clearly that these people willnot be spending their shopping dollars in Santa Cruz? nor paying taxes on their purchases? They will be shopping by mail or on the internet. Catalogs do still come by mail AND we will be using them!

7\_C

Also, the expense of putting a sidewalk on Brommer St. has just been completed with spaces for the bus to pull over ( and not block traffic) to pick up passengers. Are you going to the expense of taking out the bus stops so recently put in?

Do you realize that crosswalks on Brommer St. are few and far between? How do we safely cross Brommer St. if we do take the #53 bus? Being yelled at by a motorist when one tries to cross the street during a lull in traffic is not pleasing to anyone. Let alone an elderly person. It can cause a mis=step and a fall.

We sincerely hope you will correct this monstrous error you created by removing the #65 bus.

Vorman

Gambe

Sincerely mr. of mes. Daniel Roys,

## SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

#### Minutes- Board of Directors

#### September 10, 2004

A Regular Meeting of the Board of Directors of the Santa Cruz Metropolitan Transit District met on Friday, September 10, 2004 at the District's Administrative Office, 370 Encinal Street, Santa Cruz, CA.

Vice Chair Keogh called the meeting to order at 9:01 a.m.

#### SECTION 1: OPEN SESSION

1. ROLL CALL:

#### **DIRECTORS PRESENT**

Jan Beautz (arrived after roll call) Michelle Hinkle Mike Keogh Emily Reilly Dale Skillicorn Pat Spence Mark Stone Marcela Tavantzis

# DIRECTORS ABSENT

Sheryl Ainsworth Dennis Norton Mike Rotkin Ex-Officio Wes Scott

#### STAFF PRESENT

Bryant Baehr, Operations Manager Frank Cheng, MetroBase Project Manager Mark Dorfman, Assistant General Manager Margaret Gallagher, District Counsel Elisabeth Ross, Finance Manager Robyn Slater, Human Resources Manager Judy Souza, Base Superintendent Tom Stickel, Fleet Maint. Manager Les White, General Manager

## EMPLOYEES AND MEMBERS OF THE PUBLIC WHO VOLUNTARILY INDICATED THEY WERE PRESENT

Jeff Le Blanc, MASTF Paul Marcelin-Sampson Bonnie Morr, UTU Bob Yount, MASTF

#### 2. ORAL AND WRITTEN COMMUNICATION

#### Oral:

None

#### Written:

a. Will Regan, VMU

RE: Bart Cavallaro

## 3. LABOR ORGANIZATION COMMUNICATIONS

None.

# 4. ADDITIONAL DOCUMENTATION TO SUPPORT EXISTING AGENDA ITEMS

None.

# CONSENT AGENDA

# 5-1. <u>APPROVE REGULAR BOARD MEETING MINUTES OF AUGUST 13 AND AUGUST</u> 27, 2004 AND THE SPECIAL MEETING MINUTES OF AUGUST 13, 2004

The August 27, 2004 Minutes will be presented for consideration at the September 24, 2004 Board Meeting

# 5-2. ACCEPT AND FIE PRELIMINARILY APPROVED CLAIMS

No questions or comments.

# 5-3. ACCEPT AND FILE AUGUST 2004 RIDERSHIP REPORT

Page 1 of the Ridership Report will be presented for consideration at the September 24, 2004 Board Meeting

# 5-4. <u>CONSIDERATION OF TORT CLAIMS: REJECT THE CLAIM ENTIRELY OF JOSE</u> SAAVEDRA, CLAIM # 04-0016

No questions or comments.

# 5-5. ACCEPT AND FILE THE METRO ADVISORY COMMITTEE (MAC) AGENDA FOR SEPTEMBER 22, 2004 AND MINUTES OF JULY 21, 004

Les White reported that the September 15<sup>th</sup> MAC meeting had been rescheduled to September 22<sup>nd</sup> in observance of Rosh Hashanah.

# 5-6. ACCEPT AND FILE AGENDA FOR THE MASTF COMMITTEE MEETING OF SEPTEMBER 16, 2004 AND THE MINUTES OF THE AUGUST 19, 2004 MEETING

Documentation will be presented for consideration at the September 24, 2004 Board Meeting

# 5-7. ACCEPT AND FILE PARACRUZ STATUS REPORT FOR JUNE 2004

No questions or comments.

# 5-8. ACCEPT AND FILE HIGHWAY 17 STATUS REPORT FOR JULY 2004

Documentation will be presented for consideration at the September 24, 2004 Board Meeting

#### 5-9. ACCEPT AND FILE UNIVERSITY OF CALIFORNIA, SANTA CRUZ SERVICE UPDATE

No questions or comments.

## 5-10. ACCEPT AND FILE METROBASE STATUS REPORT

No questions or comments.

# 5-11. ACCEPT AND FILE MINUTES REFLECTING VOTING RESULTS FROM APPOINTEES TO THE SANTA CRUZ COUNTY REGIONAL TRANSPORTATION COMMISSION FOR THE JULY MEETING

Director Tavantzis expressed concern that she had not been called to attend as an alternate due to Director Reilly's absence. Director Reilly responded that she thought she would be able to attend but had the dates mixed up and was unable to attend when she realized it was the day of the meeting.

# 5-12. <u>CONSIDERATION OF CONTRACT RENEWAL WITH DEVCO OIL FOR DISTRICT</u> <u>FUEL REQUIREMENTS</u>

Tom Stickel reported that the District had requested and received a reduction in price due to the current financial situation.

## 5-13. <u>CONSIDERATION OF CONTRACT RENEWAL WITH CLAREMONT BEHAVIORAL</u> <u>SERVICES FOR EMPLOYEE ASSISTANCE PROGRAM</u>

Tom Stickel reported that this was a simple renewal of an existing contract.

Director Keogh announced that Items # 5-14, 5-15 and 5-16 need to be acted upon today and that Board had the choice of acting upon Item # 5-19 today or deferring it to the September 24, 2004 meeting to be televised.

# 5-14. <u>CONSIDERATION OF ADOPTING A RESOLUTION ESTABLISHING A PETTY CASH</u> <u>FUND FOR THE PARACRUZ FACILITY</u>

Action required at the September 10, 2004 Board Meeting.

ACTION: MOTION: DIRECTOR TAVANTZIS SECOND: DIRECTOR REILLY

Adopt a Resolution establishing a Petty Cash fund for the ParaCruz Facility.

Motion passed by unanimous affirmative voice vote in lieu of a roll call vote with Directors Ainsworth, Beautz, Norton and Rotkin being absent

5-15. <u>CONSIDERATION OF APPROVAL OF CALPERS RESOLUTIONS TO FIX AND SET</u> <u>THE DISTRICT'S MEDICAL PREMIUM CONTRIBUTION RATES</u> Action required at the September 10, 2004 Board Meeting.

#### ACTION: MOTION: DIRECTOR REILLY SECOND: DIRECTOR TAVANTZIS

Adopt Resolutions to fix and set the District's Medical premium contribution rates.

Motion passed by unanimous voice vote in lieu of a roll call vote with Directors Ainsworth, Beautz, Norton and Rotkin being absent

# 5-16. <u>CONSIDERATION OF MODIFICATION TO CURRENT CLASS SPECIFICATION (JOB</u> <u>DESCRIPTION) OF THE PARTS CLERK TO REPLACE THE CLASS B DRIVER'S</u> LICENSE REQUIREMENT WITH A CLASS C DRIVER'S LICENSE REQUIREMENT

No questions or comments.

# 5-17. <u>CONSIDERATION OF APPROVAL OF PARATRANSIT CLASS SPECIFICATIONS</u> (JOB DESCRIPTIONS) FOR PARATRANSIT OPERATOR, RESERVATIONIST, DISPATCH/ SCHEDULER, RESERVATION/SCHEDULING COORDINATOR, TRAINING AND ROAD RESPONSE COORDNATOR, MECHANIC II, AND SUPERINTENDENT

Action required at the September 10, 2004 Board Meeting.

# ACTION: MOTION: DIRECTOR TAVANTZIS SECOND: DIRECTOR SKILLICORN

#### Discussion:

Les White reported that he had just received suggested revisions from Director Spence, which are attached to these minutes. Discussion included incorporating Director Spence's ideas as long as it could be done easily and did not require UTU Labor Negotiations to be reopened.

Approve Paratransit Class Specifications (Job Descriptions) for Paratransit Operator, Reservationist, Dispatch/ Scheduler, Reservation/Scheduling Coordinator, Training and Road Response Coordinator, Mechanic II, and Superintendent, incorporating Director Spence's suggestions contingent on UTU's approval; and adding the physical requirements to the Reservationist/Scheduling Coordinator.

#### **Direction:**

- Add the physical requirements to the Reservationist/Scheduling Coordinator position and note in the current employee's file that these requirements are "Post Hire".
- Add "Preferred Bilingual" to Paratransit Operator description for future hires.
- Include in the Paratransit Coordination Task Force report everything we are doing or intend to do regarding ParaCruz going forward.

Director Keogh added the following friendly amendment, accepted by the maker and the second of the motion:

If there are any problems with the legality of any of the language in Director Spence's suggestions, the Board will not accept that language.

Motion passed by unanimous voice vote in lieu of a roll call vote with Directors Ainsworth, Beautz, Norton and Rotkin being absent

# 5-18. NOTIFICATION OF ACTIONS TAKEN IN CLOSED SESSION REGARDING THE SETTLEMENT WITH GUILLERMO CHAVEZ

No questions or comments.

# 5-19. CONSIDERATION OF A RESOLUTION OF APPRECIATION AND REMEMBERANCE FOR THE SERVICES OF BART CAVALLARO AS A MEMBER OF THE BOARD OF DIRECTORS FOR THE SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

ACTION: MOTION: DIRECTOR HINKLE SECOND: DIRECTOR SKILLICORN

Move Item # 5-19 to the Regular Agenda for the September 24, 2004 Board Meeting.

#### Direction:

 Staff to contact the Cavallaro family to notify them of the Resolution of Appreciation being given at the September 24, 2004 Board meeting.

Motion passed unanimously with Directors Ainsworth, Beautz, Norton and Rotkin being absent.

# REGULAR AGENDA

# 6. PRESENTATION OF EMPLOYEE LONGEVITY AWARDS

This presentation will take place at the September 24, 2004 Board Meeting.

## 7. <u>CONSIDERATION OF RECEIPT OF THE SANTA CRUZ COUNTY REGIONAL</u> <u>TRANSPORTATION COMMISSION'S PARATRANSIT COORDINATION TASK FORCE</u> (PCTF) AND DRAFT MINUTES OF AUGUST 18, 2004

#### Summary:

Director Spence clarified the funding source for out of area trips and offered to email some information to the Board.

Paul Marcelin-Sampson said he would also forward information by email to the Board

8. <u>CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A</u> <u>CONTRACT TO PURCHASE A VERTICAL LNG STORAGE TANK FOR AN LCNG</u> <u>FUELING STATION FOR THE METROBASE PROJECT</u> Action required at the September 10, 2004 Board Meeting

5-1.5

DIRECTOR SPENCE LEFT THE ROOM AT THIS TIME

#### Summary:

Frank Cheng reported that in order to assure completion of the MetroBase Fueling Station on time, METRO is proposing to purchase fueling station components prior to awarding the General Construction Contract.

An Invitation For Bids went out on July 22, 2004 and two responses were received on August 23, 2004. METRO has completed the Cost/Price Analysis necessary to meet federal requirements and determined that the price is justified.

ACTION: MOTION: DIRECTOR REILLY SECOND: DIRECTOR SKILLICORN

Authorizing the General Manager to execute a contract to purchase a Vertical LNG Storage Tank for the LCNG Fueling Station for the MetroBase project

Motion passed unanimously with Directors Ainsworth, Beautz, Norton, Rotkin and Spence being absent.

9. <u>CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A</u> <u>CONTRACT TO PURCHASE TWO PRESSURE VESSEL ASSEMBLIES FOR THE</u> <u>LCNG FUELING STATION FOR THE METROBASE PROJECT</u> Action required at the September 10, 2004 Board Meeting

#### Summary:

Frank Cheng reported that one bid was received on August 23, 2004 and that METRO has completed the Cost/Price Analysis necessary to meet federal requirements and determined that the price is justified.

ACTION: MOTION: DIRECTOR SKILLICORN SECOND: DIRECTOR REILLY

Authorizing the General Manager to execute a contract to purchase two Pressure Vessel Assemblies for the LCNG Fueling Station for the MetroBase project.

Motion passed unanimously with Directors Ainsworth, Beautz, Norton, Rotkin and Spence being absent.

# 10. <u>CONSIDERATION OF AWARD OF CONTRACT FOR GOODWILL LOSS APPRAISAL</u> SERVICES FOR METROBASE PROPERTIES

#### Summary:

Tom Stickel reported that the District has adopted a "Resolution of Necessity" in order to initiate eminent domain proceedings to acquire property located at 120 Golf Club Drive and has purchase 1122 River Street. In order to evaluate potential loss of goodwill claims, the District requested proposals from qualified goodwill appraisers.

## DIRECTOR SPENCE RETURNED AT THIS TIME

A five-member evaluation committee comprised of District Staff and Marty Ackerman of the Redevelopment Agency reviewed and evaluated the proposals.

ACTION: MOTION: DIRECTOR REILLY SECOND: DIRECTOR HINKLE

Authorizing the General Manager to execute a contract for Goodwill Appraisal Services for the MetroBase properties.

Motion passed unanimously with Directors Ainsworth, Beautz, Norton, and Rotkin being absent.

## 11. <u>CONSIDERATION OF AWARD OF CONTRACT FOR SUPPLEMENTAL</u> <u>PARATRANSIT SERVICES</u>

Documentation will be presented for consideration at the September 24, 2004 Board Meeting

#### 12. <u>CONSIDERATION OF APPROVAL OF RESOLUTION TO MODIFY SANTA CRUZ</u> <u>METRO'S BYLAWS INCLUDING:</u>

A. CLARIFYING THAT APPOINTEES TO THE METROS ADVISORY COMMITTEE (MAC) SERVE AT THE PLEASURE OF THE BOARD OF DIRECTORS; AND

B. ADDING RULES OF PROCEDURE FOR BOARD MEETINGS, SELECTING REPRESENTATIVES TO THE SANTA CRUZ COUNTY REGIONAL TRANSPORTATION COMMISSION, SETTING TIME LIMITS FOR TESTIMONY ON AGENDA ITEMS AND OTHER CHANGES

#### Discussion:

Paul Marcelin-Sampson said he was impressed with the proposed language on both 12A and 12B.

Regarding 12A, Bonnie Morr pointed out that the 6<sup>th</sup> bullet under Summary of Issues was incorrect. She clarified that her position was not specific to MAC or any other group and mentioned the Watsonville City Council Code of Ethics. Director Tavantzis offered to forward this to Margaret Gallagher. Ms. Gallagher will bring revised language back to the next Board meeting.

Jeff Le Blanc made remarks to the Board, which are attached to these minutes, regarding the letter to the Board from the UTU Chair dated April 19, 2004.

#### 13. <u>CONSIDERATION OF APPOINTING A PERMANENT METRO ADVISORY</u> <u>COMMITTEE (MAC) REPRESENTATIVE TO THE PARATRANSIT COORDINATION</u> <u>TASK FORCE (PCTF)</u>

Documentation will be presented for consideration at the August 27, 2004 Board Meeting.

### DIRECTOR BEAUTZ ARRIVED AT THIS TIME

# 14. <u>CONSIDERATION OF APPOINTMENT OF DIRECTORS TO THE SANTA CRUZ CIVIC</u> <u>IMPROVEMENT CORPORATION (SCCIC)</u>

#### Summary:

Elisabeth Ross reported that the SCCIC is an independent non-profit organization established in 1986 by the Transit District to assist the District in financial transactions. The District Board is the appointing authority for the Board of Directors of the SCCIC.

Due to the expiration of the terms of the current Directors, the District Board must now consider reappointment of current Directors or appointment of new Directors to the SCCIC Board.

Ms. Ross also reported that more would be required of appointees in this term if the District participates in bond financing as a funding mechanism for MetroBase.

# 15. CONSIDERATION OF PARACRUZ TRANSITION STATUS REPORT

Documentation will be presented for consideration at the September 24, 2004 Board Meeting

# 16. <u>CONSIDERATION OF AUTHORIZING THE GENERAL MANGER TO EXECUTE AN</u> <u>AMENDMENT TO THE RNL DESIGN CONTRACT FOR</u> ARCHITECTURAL/ENGINEERING SERVICES FOR THE METROBASE PROJECT

ACTION: MOTION: DIRECTOR REILLY SECOND: DIRECTOR TAVANTZIS

Move this item to the Consent Agenda for the September 24, 2004 Board Meeting.

Motion passed unanimously with Directors Ainsworth, Norton, and Rotkin being absent.

## 17. <u>CONSIDERATION OF APPROVAL OF 40 YEAR LEASE WITH THE CITY OF SANTA</u> CRUZ FOR PROPERTY NEEDED FOR THE METROBASE PROJECT

Documentation will be presented for consideration at the September 24, 2004 Board Meeting.

#### 18. <u>CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A</u> <u>LEASE AGREEMENT WITH IULIANO 1977 TRUST FOR PROPERTY LOCATED AT</u> 111 DUBOIS STREET FOR METROBASE PROJECT

Documentation will be presented for consideration at the September 24, 2004 Board Meeting

#### 19. CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A SUBLEASE AGREEMENT WITH FREDERICK ELECTRONICS (PLANTRONICS) FOR PROPERTY LOCATED AT 375 ENCINAL STREET FOR METROBASE PROJECT TO ASSIGN THE PROPERTY TO A TOOL SHED

Documentation will be presented for consideration at the September 24, 2004 Board Meeting

#### 20. CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A LEASE AMENDMENT WITH THE SCOTTS VALLEY TRANSIT CENTER TENANT TO EXTEND THE TERM, INCLUDE JANITORIAL DUTIES AND PROVIDE FOR THE REPAYMENT OF A PG&E BILL

#### Summary:

Margaret Gallagher reported that this lease amendment would facilitate the Blue Dolphin to continue as a tenant. Les White reported that the Blue Dolphin's business has decreased by 25% due to the fact that the Hwy 17 now goes downtown, and not as many people have to drive to Scotts Valley. The Blue Dolphin has also requested the janitorial contract.

The Blue Dolphin has requested monthly payments of \$75 towards the \$2,178.95 it owes the District for the balance of a utility bill

Director Tavantzis suggested that the Blue Dolphin pay \$75 per month rather than forgiving their utility bill.

Paul Marcelin-Sampson suggested bartering weekend hours towards the utility bill.

# 21. REVIEW OF ITEMS TO BE DISCUSSED IN CLOSED SESSION: District Counsel

Margaret Gallagher reported that the Board would discuss the Worker's Compensation case of Sonia McClure and the civil action of Freddy Castillo.

# 22. ORAL AND WRITTEN COMMUNICATIONS REGARDING CLOSED SESSION

None.

# SECTION II: CLOSED SESSION

Vice Chair Keogh adjourned to Closed Session at 10:15 a.m. and reconvened to Open Session at 10:45 a.m.

# SECTION III: RECONVENE TO OPEN SESSION

# 23. REPORT OF CLOSED SESSION

Margaret Gallagher had nothing to report at this time.

#### ADJOURN

5-1.9

There being no further business, Vice Chair Keogh adjourned the meeting at 10:45 a.m.

Respectfully submitted,

homas

CINDI THOMAS Administrative Services Coordinator

#### Suggestions/General comments

Question: Include: 1)"Must pass requisite background check" to all positions

2) Knowledge of service delivery as written in the ParaCruz Customer Guide

- Where ever mentioned, please refer to positions as being "ParaCruz paratransit......"
- Change wording as need to reflect what is already in use in the Customer Guide.
- All places refer to as "rider, clients, passenger" to "customer" as used in the Customer Guide. 5-17.b1- PARACRUZ PARATRANSIT RESERVATIONIST ..."fluency in Spanish preferred." Add: <u>Ability to converse/ (speak) English without a heavy accent so as to be</u> understood over the telephone.

5-17.b2 throughout all job descriptions re-word "....used hands to finger, [PAS1]handle....." to manual dexterity or to manipulate. Add <u>"computer keyboard and use mouse for extended</u> periods of time".

Question: "....occasionally lift to 30 pound[PAS2]s.."

- 5-17.c1 PARACRUZ PARATRANSIT DISPATCHER Add: Multi-task, and have acceptable short term memory aptitude

Valid First aid and CPR certification This position is considered Safety Sensitive position and is subject to Drug and Alcohol testing as required by FTA CFR 49.

#### **Remarks to SCMTD Board**

September 10, 2004

I'm sure it's news to no one here that Paul Marcelin-Sampson and I have often disagreed, sometimes vehemently, on Transit issues. I will take this opportunity, therefore, to thank the chairperson of the United Transportation Union for doing what we probably could not have done on our own - heal the breach between Paul and me.

Through her transparent and heavy-handed attempt to use the power of her office to stifle dissent and intimidate the Metro Advisory Group, she has obliged me to come to Paul's defense. Though I may disagree with what he has to say, I must and will defend his right to say it. That right was guaranteed by no less an authority than the Constitution of the United States. No person or organization can justifiably take it from him. In my opinion, it's a scandal and a disgrace that someone in a position of leadership with the transit district is trying to do so.

It's informative that it took so little time for the Metro Advisory Group to become a political football. This should help you understand what you have not till now appreciated – why MASTF, even at the risk of our existence, refused to surrender our independence.

As a member of the Metro Advisory Group I ask this board to take all appropriate steps to insure that the MAC be protected from the kind of unseemly and undue influence the UTU chair has been attempting to apply.

Thank you.

Comments made by Jeff Le Blanc

### SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

#### Minutes- Board of Directors

September 24, 2004

A Regular Meeting of the Board of Directors of the Santa Cruz Metropolitan Transit District met on Friday, September 24, 2004 at the Santa Cruz City Council Chambers, 809 Center Street, Santa Cruz, CA.

Chair Reilly called the meeting to order at 9:05 a.m.

#### SECTION 1: OPEN SESSION

#### 1. <u>ROLL CALL</u>:

- 5-5. ACCEPT AND FILE THE METRO ADVISORY COMMITTEE (MAC) AGENDA FOR SEPTEMBER 22, 2004 AND MINUTES OF JULY 21, 004
- 5-6. ACCEPT AND FILE AGENDA FOR THE MASTF COMMITTEE MEETING OF SEPTEMBER 16, 2004 AND THE MINUTES OF THE AUGUST 19, 2004 MEETING
- 5-7. ACCEPT AND FILE PARACRUZ STATUS REPORT FOR JUNE 2004
- 5-8. PULLED FROM CONSENT
- 5-9. ACCEPT AND FILE UNIVERSITY OF CALIFORNIA, SANTA CRUZ SERVICE UPDATE

- 75

5 -1.19

- 5-10. ACCEPT AND FILE METROBASE STATUS REPORT
- 5-11. ACCEPT AND FILE MINUTES REFLECTING VOTING RESULTS FROM APPOINTEES TO THE SANTA CRUZ COUNTY REGIONAL TRANSPORTATION COMMISSION FOR THE JULY MEETING
- 5-12. CONSIDERATION OF CONTRACT RENEWAL WITH DEVCO OIL FOR DISTRICT FUEL REQUIREMENTS
- 5-13. CONSIDERATION OF CONTRACT RENEWAL WITH CLAREMONT BEHAVIORAL SERVICES FOR EMPLOYEE ASSISTANCE PROGRAM
- 5-14. DELÉTED
- 5-15. DELETED
- 5-16. CONSIDERATION OF MODIFICATION TO CURRENT CLASS SPECIFICATION (JOB DESCRIPTION) OF THE PARTS CLERK TO REPLACE THE CLASS B DRIVER'S LICENSE REQUIREMENT WITH A CLASS C DRIVER'S LICENSE REQUIREMENT
- 5-17. DELETED
- 5-18. NOTIFICATION OF ACTIONS TAKEN IN CLOSED SESSION REGARDING THE SETTLEMENT WITH GUILLERMO CHAVEZ
- 5-19. MOVED TO REGULAR AGENDA AS ITEM #21
- 5-20. CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE AN AMENDMENT TO THE RNL DESIGN CONTRACT FOR ARCHITECTURAL/ENGINEERING SERVICES FOR THE METROBASE PROJECT

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR KEOGH

Approve the Consent Agenda with the exception of Item #5-8, which Chair Reilly pulled for discussion.

Motion passed unanimously with Directors Beautz and Norton being absent.

# 5-8. ACCEPT AND FILE HIGHWAY 17 STATUS REPORT FOR JULY 2004

Les White reported that Highway 17 has performed much better than expected since the merger and that Caltrans is receptive to contributing to provide more service in order to make the connections with Caltrain.

#### **REGULAR AGENDA**

District Counsel recommended moving Item #23 to closed session due to ongoing negotiations and the threat of litigation.

ACTION: MOTION: DIRECTOR KOEGH

SECOND: DIRECTOR REILLY

Move Item #23 to Closed Session.

Motion passed unanimously with Directors Beautz and Norton being absent.

# 6. PRESENTATION OF EMPLOYEE LONGEVITY AWARDS

The following employees were acknowledged with longevity certificates for their years of service:

FIFTEEN YEARS

A. John Daugherty, Accessible Services Coordinator

# TWENTY-FIVE YEARS

Michael T. Steber, Bus Operator

# THIRTY YEARS

Roy G. Brogdon, Supervisor of Revenue Collection

# DIRECTOR BEAUTZ ARRIVED AT THIS TIME

# 7. <u>CONSIDERATION OF RECEIPT OF REPORT REGARDING THE SANTA CRUZ</u> <u>COUNTY REGIONAL TRANSPORTATION COMMISSION'S PARATRANSIT</u> COORDINATION TASK FORCE (PCTF) AND FINAL MINUTES OF AUGUST 18, 2004

#### Summary:

Director Spence stated that there would be two more meetings and a wrap up in December followed by presentations to the SCCRTC and the Board.

There was discussion about the conversation that took place at the September PCTF meeting when METRO's ADA Eligibility Coordinator's qualifications were questioned. Scott Bugental clarified that he was concerned with the mandates and any requirement of medical experience for that position and wants further discussion on the subject.

Ian McFadden stated that the District had followed the paid consultant's recommendations regarding recruiting and training and urged the Board to keep the PCTF on track, which was for the coordination of Paratransit services.

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR AINSWORTH

Accept the report of the Paratransit Coordination Task Force and minutes of the August 18, 2004 meeting.

Motion passed unanimously with Director Norton being absent.

- 8. <u>DELETED</u>
- 9. <u>DELETED</u>
- 10. <u>DELETED</u>
- 11. <u>CONSIDERATION OF AWARD OF CONTRACT FOR SUPPLEMENTAL PARATRANSIT</u> <u>SERVICES</u>

#### Summary:

Steve Paulson explained that the supplemental contractors would perform the early morning and late night trips that are outside of the normal 8-hour shifts performed by the District. UTU would perform 70% of all rides with 30% going to the supplemental contractors.

The supplemental contractors will be monitored daily and are required to uphold the Policies and Procedures and Customer Guide standards as outlined in the RFP.

Director Spence indicated that she was concerned about the quality of the cab service. She indicated that she had experienced dirty, poorly maintained cabs in the past. She indicated that she will be monitoring the cab performance and submitting information as to how they are doing.

Les White requested that any problems be reported directly to METRO and that the District would go back out to bid again, if necessary. Mr. White also expressed disappointment that a bid was not received from Courtesy Cab.

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR SKILLICORN

Authorize the General Manager to execute a contract for Supplemental Paratransit Services with Santa Cruz Transportation and Trans Metro Express.

Motion passed unanimously with Director Norton being absent.

## 12. <u>CONSIDERATION OF APPROVAL OF RESOLUTION TO MODIFY SANTA CRUZ</u> METRO'S BYLAWS INCLUDING:

- A. CLARIFYING THAT APPOINTEES TO THE METROS ADVISORY COMMITTEE (MAC) SERVE AT THE PLEASURE OF THE BOARD OF DIRECTORS; AND
- B. ADDING RULES OF PROCEDURE FOR BOARD MEETINGS, SELECTING REPRESENTATIVES TO THE SANTA CRUZ COUNTY REGIONAL TRANSPORTATION COMMISSION, SETTING TIME LIMITS FOR TESTIMONY ON AGENDA ITEMS AND OTHER CHANGES

#### C. <u>SUPPLEMENTAL REPORT</u>

#### Discussion:

Margaret Gallagher reported that, as requested at the last Board meeting, a copy of the City of Watsonville's staff report and Resolution regarding it's own Code of Ethics is attachment A to Item 12C. Ms. Gallagher recommended that if the Board chose to adopt a Code of Ethics based on that model, it be brought back to a later meeting, in order to adopt the modified Bylaws as set forth in Attachment B today.

Ms. Gallagher then pointed out each of the following proposed modifications to the Bylaws:

- § 4.01 regarding public notification of emergency meetings;
- § 7.04 added Rules of Procedure, which would hullify the old Rules of Order? (Ms. Gallagher confirmed that 2/3 of the Board would be 8).
- § 11.01 regarding time allowed for public testimony;
- § 14.01 regarding creation of committees; MAC would become "(iii)" included in the main section and MASTF would become "(b)" as an independent group.
- § 14.02 regarding SCCRTC appointments, the addition of part "a)"

There was a discussion regarding MAC appointees and the timing of SCCRTC appointments.

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR REILLY

Approve Resolution to modify the Santa Cruz METRO's Bylaws as recommended by Staff, allowing Staff to correct numbering without having to bring it back again for Board approval.

Motion passed unanimously with Director Norton being absent.\*

\*NOTE: See Chair Reilly's statement made after Item #22

# ADJOURN

Chair Reilly adjourned to the Special Board Meeting at 10:12 a.m. and reconvened to the Regular Board meeting at 10:18 a.m.

13. <u>CONSIDERATION OF APPOINTING ROBERT YOUNT AS THE REPRESENTATIVE OF</u> <u>THE METRO ADVISORY COMMITTEE (MAC), AND APPOINTING STEVE KUDLAK AS</u> <u>A REPRESENTATIVE OF CONSUMERS OF FIXED ROUTE SERVICE AS MEMBERS</u> <u>OF THE PARATRANSIT COORDINATION TASK FORCE (PCTF)</u> **S-1.22** 

Les White reported that at the September 22, 2004, MAC meeting, Stuart Rosenstein had volunteered to replace Norm Hagen, Jr. as MAC's permanent PCTF appointee, rather than Robert Yount; and that Steve Kudlak would become Kanoa Dynek's replacement as a consumer of Fixed Route Transit Services.

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR REILLY

Appoint Stuart Rosenstein to serve as a representative of the METRO Advisory Committee (MAC), and appoint Steve Kudlak to serve as a Representative of Consumers of Fixed Route Transit o the Paratransit Coordination Task Force (PCTF).

Motion passed unanimously with Director Norton being absent.

# 14. <u>CONSIDERATION OF APPOINTMENT OF DIRECTORS TO THE SANTA CRUZ CIVIC</u> <u>IMPROVEMENT CORPORATION (SCCIC)</u>

#### Summary:

Elisabeth Ross reported that 5 appointments to the SCCIC needed to be made today and that the next meeting would be held at 10:00 a.m. during the Regular Board meeting on October 22, 2004.

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR BEAUTZ

Appoint current incumbents (Directors Beautz, Hinkle, and Spence), and Directors Keogh and Reilly to the SCCIC for a two-year term.

Directors Keogh and Reilly accepted the nominations.

Motion passed unanimously with Director Norton being absent.

# 15. CONSIDERATION OF PARACRUZ TRANSITION STATUS REPORT

Bryant Baehr gave a Power Point presentation outlining what has already been completed and the schedule for what is left to be completed.

Direction: Staff to contact Mobile Home Parks and churches as part of public outreach efforts.

Directors Rotkin and Keogh, and Jeff Le Blanc, wished to publicly thank Staff, Sam Storey and Community Bridges for all their hard work and the friendly, cooperative transition.

Scott Bugental echoed those sentiments and expressed concern regarding Spanish outreach material and a guaranteed ride home policy.

Mr. Baehr responded by saying that all outreach materials would be available in English and Spanish, plus CDs and tapes, and that although there is no formal policy, it is not the District's

practice to strand people. This would be handled on a case-by-case basis and a formal policy would be brought back to the Board for direction if it becomes a problem.

## ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR AINSWORTH

Accept ParaCruz Transition Status Report.

Motion passed unanimously with Director Norton being absent.

#### 16. MOVED TO CONSENT AS ITEM #5-20

# 17. <u>CONSIDERATION OF APPROVAL OF 40 YEAR LEASE WITH THE CITY OF SANTA</u> CRUZ FOR PROPERTY NEEDED FOR THE METROBASE PROJECT

#### Summary:

Frank Cheng reported that a portion of the bus parking at 1200 River Street is owned by the City of Santa Cruz. The current Encroachment Permit allowing METRO to use the City property is subject to termination with 30 days notice. In order to use federal funds for construction on property not owned by METRO, there must be a provision for continuous control of the property by METRO for a minimum of 20 years. The City has offered to lease the property to METRO for 40 years for \$1 per year.

ACTION: MOTION: DIRECTOR ROTKIN

SECOND: DIRECTOR REILLY

Authorize the General Manager to execute a 40-year lease with the City of Santa Cruz for property needed for the MetroBase project.

Motion passed unanimously with Directors Norton and Tavantzis being absent.

18. <u>CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A</u> <u>LEASE AGREEMENT WITH IULIANO 1977 TRUST FOR PROPERTY LOCATED AT</u> 111 DUBOIS STREET FOR METROBASE PROJECT

#### Summary:

Frank Cheng reported that METRO closed escrow on July 20, 2004 for 1122 River Street, which was owned by Jeanne Gibson and is leased by A Tool Shed. When METRO vacates 111 Dubois, A Tool Shed will move in and continue the lease with Iuliano.

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR SKILLICORN

Authorize the General Manager to execute a lease and assignment agreement with Iuliano 1977 Trust for property located at 111 Dubois Street fort he MetroBase project.

Motion passed unanimously with Directors Norton and Tavantzis being absent.

#### 19. <u>CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE AN</u> <u>ASSIGNMENT WITH FREDERICK ELECTRONICS (PLANTRONICS) AND A TOOL</u> <u>SHED, INC. FOR PROPERTY LOCATED AT 375 ENCINAL STREET FOR</u> <u>METROBASE PROJECT TO ASSIGN THE PROPERTY TO A TOOL SHED</u>

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR SKILLICORN

Authorize the General Manager to execute an assignment with Frederick Electronics (Plantronics) and A Tool Shed, Inc. for property located at 375 Encinal Street for Metrobase Project to assign the property to A Tool Shed, Inc.

Motion passed unanimously with Director Norton being absent.

#### 20. <u>CONSIDERATION OF AUTHORIZING THE GENERAL MANAGER TO EXECUTE A</u> <u>LEASE AMENDMENT WITH THE SCOTTS VALLEY TRANSIT CENTER TENANT TO</u> <u>EXTEND THE TERM, INCLUDE JANITORIAL DUTIES AND PROVIDE FOR THE</u> <u>REPAYMENT OF A PG&E BILL</u>

#### Summary:

Margaret Gallagher reported the tenant will keep the Transit Center open during the hours of 6:00 a.m. – 6:00 p.m. if the District waives the \$75 monthly payment towards the utility bill. They are also willing to pay the \$75 payment for any month they chose not to be open the full hours.

ACTION: MOTION: DIRECTOR ROTKIN SEC

SECOND: DIRECTOR KEOGH

Authorizing the General Manager to execute a lease amendment with the Scotts Valley Transit Center Tenant to extend the term, include janitorial duties and provide for the repayment of a PG&E bill.

Motion passed unanimously with Director Norton being absent

21. <u>CONSIDERATION OF A RESOLUTION OF APPRECIATION AND REMEMBERANCE</u> FOR THE SERVICES OF BART CAVALLARO AS A MEMBER OF THE BOARD OF DIRECTORS FOR THE SANTA CRUZ METROPOLITAN TRANSIT DISTRICT (Moved to Regular Agenda at the October 10, 2004 meeting. Retained original numbering as Item # 5-19).

**Direction:** Staff to obtain a copy of the taping of today's meeting for the Cavallaro family.

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR BEAUTZ

Adopt a Resolution of Appreciation and Remembrance for the services of Bart Cavallaro as a member of the Board of Directors for the Santa Cruz Metropolitan Transit District.

Motion passed by unanimous affirmative voice vote in lieu of a roll call vote with Director Norton being absent.

### 22. <u>CONSIDERATION OF ADOPTING REVISIONS TO THE DRUG AND ALCOHOL</u> <u>TESTING POLICY REGULATION</u>

#### Summary:

Ms. Gallagher reported that revisions include implementation of new federal law requirements and other modifications.

**Direction:** Staff to add Paratransit Safety Sensitive positions to Attachment 4, "List of Safety Sensitive Job Classifications by Title" to be brought back next month.

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR REILLY

Adopt the revised Drug and Alcohol Policy Regulation.

Motion passed unanimously with Director Norton being absent.

## AT THIS TIME CHAIR REILLY MADE THE FOLLOWING CLARIFYING STATEMENT REGARDING THE RESOLUTION ADOPTED IN ITEM 12C:

"Motion passed by unanimous affirmative voice vote in lieu of a roll call vote" (with Director Norton being absent).

23. MOVED TO CLOSED SESION

# 24. REVIEW OF ITEMS TO BE DISCUSSED IN CLOSED SESSION: District Counsel

Margaret Gallagher reported that the Board would discuss the existing Worker's Compensation case of Frank Sloan and the significant potential exposure to litigation regarding Item #23.

# 25. ORAL AND WRITTEN COMMUNICATIONS REGARDING CLOSED SESSION

None.

# SECTION II: CLOSED SESSION

Chair Reilly adjourned to Closed Session at 11:15 a.m. and reconvened to Open Session at 11:57 a.m.

# SECTION III: RECONVENE TO OPEN SESSION

#### 26. REPORT OF CLOSED SESSION

Margaret Gallagher had nothing to report at this time.

## **ADJOURN**

There being no further business, Chair Reilly adjourned the meeting at 11:58 a.m.

Respectfully submitted,

. Shomas

CINDI THOMAS Administrative Services Coordinator

M E M O R A N D U M

Date: September 24, 2004

To: Board of Directors

From: Kanoa Dynak, Chair, Metro Advisory Committee

Subject: Bicycle Securement Straps

On August 18, 2004 Gary Harrold presented a request to the MAC that consideration be given to expanding the number of routes where bicycles could be carried inside of buses when the exterior bicycle racks were full. The MAC engaged in an extensive discussion of the Bikes in Buses issue on August 18, 2004 and determined that more information was necessary before an informed recommendation could be made to the METRO Board of Directors. The Mac members voted to continue the discussion of the Bikes in Buses issue at the next meeting.

On September 21, 2004 the MAC continued the discussion of recommending that the Board allow bicycles inside of buses on a larger number of routes. While the discussion on September 21, 2004 was thorough there remains a number of issues that the MAC membership feels the need to examine prior to formulating a final recommendation to the Board.

However, in the course of our discussion regarding allowing bicycles inside of buses it was brought to our attention that the new buses that are being used on Highway 17 do not have the straps needed for interior bicycle securement. Therefore, recognizing the that Highway 17 service allows bicycles inside of the buses between Scotts Valley and San Jose, the members of the MAC voted to recommend to the METRO Board of Directors that the eleven (11) new Highway 17 buses be equipped with securement straps for the safe transport of bicycles.

5-1.28

Thank you for your consideration of this recommendation.

M E M O R A N D U M

Date: September 24, 2004

To: Board of Directors

From: Kanoa Dynak, Chair, Metro Advisory Committee

Subject: Removal Of Members

The Agenda for the METRO Board of Directors for the September 24, 2004 meeting includes an item (#12) whereby the Board of Directors would amend the Bylaws to clarify the individuals that are appointed to various committees, Commissions, and Boards, serve at the pleasure of the Board of Directors. Additionally the Bylaws Amendment that is proposed clarifies under what circumstances that the Board might act to remove an individual from an appointed position.

The issue of Removing appointees has been before the METRO Board of Directors at previously meetings. The Metro Advisory Committee (MAC) previously requested that the Board of Directors defer discussion of the issue of removing appointees until the MAC had an opportunity to discuss it fully and offer a recommendation. The Board of Directors accommodated the MAC request and deferred the discussion.

On Wednesday September 22, 2004 the MAC discussed the language that has been developed by METRO District Counsel Margaret Gallagher that would address the issue of removal of Board appointees. The members of the MAC were very supportive of the language developed by Ms. Gallagher. The members of the MAC voted to recommend that the METRO Board of Directors adopt the Bylaws Amendment pertaining to the removal of Board appointees as it has been developed by District Counsel and contained in the Staff Report and attachments presented to the Board for consideration on September 24, 2004.

5-1.29

Thank you for your consideration of our recommendation on the issue of Board appointee removal.

Bonnie L. Morr General Chairperson United Transportation Union, Local 23 903 Pacific Ave. Ste # 200 Santa Cruz, California 95060

Santa Cruz Metropolitan Transit District Board of Directors 370 Encinal Street Santa Cruz, California 95060

Dear Metro Board of Directors,

I would like to call your attention to the actual letter that was written on April 19, 2004. Since the Board and Staff focused on the first sentence which describes the time frame of the discussion.

The Union would like to call your attention to the second paragraph, where we requests the attention of the board on this subject, and the last paragraph which refers to a situation that stimulated this concern.

Please allow us this moment to remind or inform the Board again of what occurred for the operators in a certain situation.

We had a board member who for whatever reason had some instances where he would run into bus operators and passengers. We had a twenty-year employee whose hand was run over during the securing of the wheel chair. This employee has lost his ability to close his hand and cannot work. Another individual has lost over two years of work while her back injuries were healing. We had passengers have their feet run over, and young individuals whose legs were taken out from under them and then landed on the ground.

The above fore mentioned situations is what stimulated the discussions at our Union and caused our desire for guidelines.

5-1.30

We understand that you cannot remove individuals from the board of directors or advisory committees, but at least you could have a document that states what appropriate behavior might look like.

Thank you for allowing us this opportunity to express our concerns and to explain that we are not targeting any individual.

5-1.31

Thank You,

Bonnie Morr, Chairperson United Transportation Union Local 23

September 20, 2004

Bonnie L. Morr General Chairperson United Transportation Union, Local 23

Santa Cruz Metropolitan Transit District Board of Directors 370 Encinal Street Santa Cruz, California 95060

Dear Metro Board of Directors,

The United Transportation Union is requesting the assistance and direction of the Board of Directors in order to find an ability to deal with the upcoming Medical costs.

The United Transportation Union would like to have the Board of Directors direct Staff to enter into a meet and confer to deal with this situation.

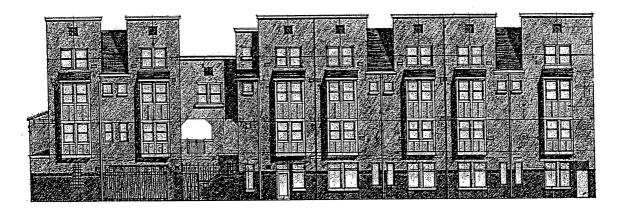

The Bus Operators are working under a situation where we have a monetary cap on our medical benefits. Due to the increase in the costs of medical we are the only unit that will be paying over 400.00 per month for an HMO. Our members cannot afford this amount of money coming out of our paychecks on a monthly basis; it interferes with the cost of housing and food. The other unit at the Transit District will not pay for HMO coverage at this level.

We are requesting parity and fair treatment in this area.

Sincerely, Bonnie Mar

Bonnie L. Morr, Chairperson UTU Local 23

## Mid-Peninsula Housing Coalition

cordially invites you to celebrate the groundbreaking of

# Via del Mar

A Transit-Oriented Community with 40 affordable rental units and a child care center located in downtown Watsonville

## Monday, October 4, 2004 at 5:00 p.m.

Via del Mar construction site 124 W. Beach Street at Rodriguez Street, Watsonville

Refreshments will be served

For more information about Via del Mar, contact Mid-Peninsula Housing at (831) 761-721,5

5-1.33

#### Minutes- Board of Directors

#### September 24, 2004

A SPECIAL Meeting of the Board of Directors of the Santa Cruz Metropolitan Transit District met on Friday, September 24, 2004 at the Santa Cruz City Council Chambers, 809 Center Street, Santa Cruz, CA.

Chair Reilly called the meeting to order at 10:12 a.m.

#### SECTION 1: OPEN SESSION

1. <u>ROLL CALL</u>:

#### **DIRECTORS PRESENT**

Sheryl Ainsworth Jan Beautz (arrived after roll call) Michelle Hinkle Mike Keogh Emily Reilly Mike Rotkin Dale Skillicorn Pat Spence Mark Stone Marcela Tavantzis

#### DIRECTORS ABSENT

Dennis Norton Ex-Officio Wes Scott

#### STAFF PRESENT

Bryant Baehr, Operations Manager Frank Cheng, MetroBase Project Manager Mark Dorfman, Assistant General Manager Margaret Gallagher, District Counsel Steve Paulson, ParaCruz Administrator Elisabeth Ross, Finance Manager Judy Souza, Base Superintendent Tom Stickel, Fleet Maint. Manager Les White, General Manager

#### 2. <u>CONSIDERATION OF AMENDING CONTRACT WITH CP INDUSTRIES FOR</u> <u>PURCHASE OF TWO PRESSURE VESSEL ASSEMBLIES FOR THE LCNG FUELING</u> <u>STATION FOR THE METROBASE PROJECT</u>

#### Summary:

Frank Cheng reported that on September 10, 2004, the Board of Directors authorized a contract with CP Industries for the purchase of two pressure vessel assemblies for the MetroBase project. Contracts were mailed to CP Industries on September 14, 2004. Contractor's bid response stated that their quotation was based upon the steel prices and surcharges in effect on the date of the quotation and subject to market prices and surcharges in effect at the time of Minutes– Board of Directors SPECIAL Meeting of September 24, 2004 Page 2

order. The District was informed by the Contractor on September 15<sup>th</sup> that the price of steel has gone up since the date of the quotation and that a price increase of \$1,950 per pressure storage vessel would be in effect at the time of order.

Les White added that this would lock in the price and any increase between approval of this contract and the work being done would not be considered.

District Staff recommends that the Board of Directors authorize the contract with CP Industries to increase the total contract to \$91,434.

ACTION: MOTION: DIRECTOR ROTKIN SECOND: DIRECTOR REILLY

Authorize the General Manager to execute an amended contract with CP Industries to increase the total contract to \$91,434.

Motion passed unanimously with Director Norton being absent.

#### ADJOURN

There being no further business, Chair Reilly adjourned the meeting at and reconvened to the Regular Board meeting at 10:18 a.m.

Respectfully submitted,

Timas

CINDI THOMAS Administrative Services Coordinator

Next Meeting: Wednesday November 17, 2004 @ 6:00 pm Santa Cruz Metro Center Conference Room Santa Cruz Metro Center

## 5-5.2

#### Minutes- METRO Advisory Committee (MAC)

August 18, 2004

A Regular Meeting of the METRO Advisory Committee (MAC) met on Wednesday, August 18, 2004 at the METRO Center Conference Room, 920 Pacific Avenue, Santa Cruz, CA.

At 6:05 p.m. METRO General Manager, Les White, announced that since MAC Chair Kanoa Dynek was absent and there was a quorum, the committee could select a temporary Chair for today's meeting.

Paul Marcelin-Sampson was selected as temporary chair and called the meeting to order at 6:06 p.m.

#### 1. <u>ROLL CALL</u>:

#### MEMBERS PRESENT

Dan Alper Norm Hagen Jeff Le Blanc Paul Marcelin-Sampson Stuart Rosenstein James Sheldon Robert Yount

#### **MEMBERS ABSENT**

Kanoa Dynek, Chair Matthew Melzer Lesley Wright

#### **VISITORS PRESENT**

Gary Harrold Rick Hyman, People Power Jeff North, UTU

#### STAFF PRESENT

Bryant Baehr, Operations Manager Margaret Gallagher, District Counsel Les White, General Manager

#### 2. AGENDA ADDITIONS/DELETIONS

Item #10 was deferred to next month.

#### 3. ORAL/WRITTEN COMMUNICATIONS

<u>Oral:</u> MAC members expressed thanks to Cindi Thomas for her administrative duties in support of MAC, and they welcomed Debi Prince to MAC as their new administrative support person.

<u>Oral</u>: Robert Yount stated that he would like to discuss Metro's smoking policy and bring in a draft smoking policy for the Committee's review and discussion. He also repeated his previous request to have "Board Rules of Order" on an agenda in the near future.

Minutes– METRO Advisory Committee August 18, 2004 Page 2

<u>Oral</u>: James Sheldon inquired as to the status of the attendance policy. He wanted to know whether Committee member absences were being tracked. Paul Marcelin-Sampson discussed excused absences.

#### 4. CONSIDERATION OF MINUTES OF JULY 21, 2004 MAC MEETING.

#### ACTION: MOTION JEFF LE BLANC SECOND: ROBERT YOUNT

ACCEPT AND FILE MINUTES OF JULY 21, 2004 MAC MEETING

Motion passed with Kanoa Dynek, Matthew Melzer, and Lesley Wright absent.

ITEM # 6. WAS TAKEN OUT OF ORDER AT THIS TIME

#### 6. <u>RECEIVE REQUEST FROM GARY HARROLD TO CONSIDER BIKES ON BUSES</u> ACCESSIBILITY

Gary Harrold introduced himself as a teacher, and bicyclist, and bus rider. He produced a petition of bicyclists who want Metro to adopt a policy to allow bicyclists to bring their bicycles on board, which is attached as part of these minutes.

A general discussion of the bicycles on buses issue ensued. Members discussed the pros and cons of bicycles in buses as well as the rights of disabled passengers and the various liability issues should bicycles be allowed. Paul Marcelin-Sampson distributed a survey of bicycle policies that is attached to these minutes. Bryant Baehr stated that 3-bicycle racks are on order and will be installed. Paul Marcelin-Sampson stated that it was apparent that the issue of bikes on buses needs further discussion before MAC can make a recommendation. Dan Alper agreed to work on language for a motion next month. In the meantime, continue this item to next month.

ACTION: MOTION: PAUL MARCELIN-SAMPSON SECOND: JEFF LE BLANC

#### CARRY THIS ITEM OVER TO NEXT MONTH.

Motion passed with Kanoa Dynek, Matthew Melzer, and Lesley Wright absent.

#### 5. <u>CONSIDERATION OF RECOMMENDATION REGARDING PROCESS FOR BOARD</u> REMOVAL OF ADVISORY COMMITTEE MEMBERS

Paul Marcelin-Sampson distributed a letter that is in the current Board Agenda packet, written by a UTU representative regarding MAC appointees. He asked Ms. Gallagher to discuss her interpretation of the letter. Ms. Gallagher stated that the "Board has the power and authority to make appointments, who serve at the pleasure of the Board, but they are not allowed to remove an appointee for an illegal reason, such as the exercise of free speech." Discussion ensued as to the various instances of free speech and what would constitute topics or behaviors that may possibly result in an appointee being removed by the Board.

Minutes– METRO Advisory Committee August 18, 2004 Page 3

Jeff North stated that it was his opinion that UTU is not interested in limiting anyone's ability to exercise their right to free speech, but that illegal comments are not in anyone's best interest. Paul Marcelin-Sampson read a portion of the letter and he stated that he interpreted the letter as an attempt to suppress his right to free speech.

Paul Marcelin-Sampson proposed the following language be added to the bylaws: "Each appointee serves at the pleasure of the Board of Directors. However, the Board of Directors will not illegally remove an appointee. Furthermore, a member's point of view will not in and of itself, be cause for removal." Ms. Gallagher said that would result in the Board's authority being more limited than the law allows, and offered to develop more refined language. Les White advised the Committee that they were under no obligation to bring the issue of removal of advisory committee members to the Board's meeting on the 27<sup>th</sup>.

#### ACTION: MOTION: JEFF LE BLANC SECOND: ROBERT YOUNT

MAC RECOMMENDS THAT THE BOARD POSTPONE A DECISION ON CONSIDERATION OF RECOMMENDATION REGARDING PROCESS FOR BOARD REMOVAL OF ADVISORY COMMITTEE MEMBERS UNTIL MAC HAS HAD THE OPPORTUNITY TO WORK WITH STAFF TO DEVELOP REFINED LANGUAGE.

Motion passed with Kanoa Dynek, Matthew Melzer, and Lesley Wright absent.

ITEM #12 WAS TAKEN OUT OF ORDER AT THIS TIME.

#### 12. <u>CONSIDERATION OF RECOMMENDING AN INDIVIDUAL TO THE METRO BOARD</u> <u>OF DIRECTORS FOR APPOINTMENT TO SERVE AS A PERMANENT MEMBER OF</u> THE SCCRTC'S PARATRANSIT COORDINATION TASK FORCE (PCTF).

The Committee discussed the fact that Lesley Wright volunteered to attend the August 18 PCTF meeting, but was unable to attend the meeting. Stuart Rosenstein volunteered to represent MAC at the September 15 PCTF meeting. MAC will contact Matthew Melzer to see if he would be interested in being appointed MAC's permanent representative on the PCTF.

#### ACTION: MOTION: PAUL MARCELIN-SAMPSON SECOND: ROBERT YOUNT

MAC RECOMMENDS THAT THE BOARD APPOINT STUART ROSENSTEIN AS MAC'S TEMPORARY REPRESENTATIVE, AT THE SCCRTC'S PARATRANSIT COORDINATION TASK FORCE MEETING ON SEPTEMBER 15, 2004.

Motion passed with Kanoa Dynek, Jeff Le Blanc, Matthew Melzer, and Lesley Wright absent.

#### 15. ITEMS FOR THE NEXT MEETING AGENDA

- Process for Board removal of Advisory Committee members
- Bikes on buses
- Comparability of METRO labor costs to other Bay Area transit systems
- Board rules of order

5-5.5

Minutes– METRO Advisory Committee August 18, 2004 Page 4

- Surfboards on buses
- Measure J
- Roster of MAC members including phone numbers and e-mail addresses

All remaining items on this Agenda were carried over to next month.

#### ADJOURN

There being no further business, Acting Chair Paul Marcelin-Sampson adjourned the meeting at 8:02 p.m.

Respectfully submitted,

Debi Prince Administrative Secretary

October 2004

5-6.1

Dear MASTF members,

Many thanks to CCCIL (Central Coast Center for Independent Living) for photocopying the MASTF packets. In these times of tight budgets, CCCIL is a great friend to MASTF. If you are unacquainted with CCCIL, their website is http://www.cccil.org/

MASTF meetings now include a small sound system to help people with hearing loss.

It is almost time for the annual MASTF Certificates of Appreciation. Bring or send your suggestions to the next MASTF meeting, or send them to Chair@MASTF.org We will choose recipients at our November meeting.

MASTF needs people with a variety of views and experience regarding accessibility. This allows us to provide valid input to Metro. Right now, our membership is a bit low. We'll begin membership recruitment drive this month. Please invite people to join and attend MASTF meetings. MASTF brochures and flyers will be available at the October meeting.

MASTF needs a new webmaster. Any suggestions for who might be willing to webmaster would be much appreciated.

Elizabeth Miller is bringing treats to MASTF meetings. Come and share them with us.

In this packet are:

- 1. October Agenda
- 2. September Minutes

## MASTF

METRO ACCESSIBLE SERVICES TRANSIT FORUM

5-6.7

**DATE:** October 22, 2004

TO: Board of Directors

**FROM:** Elisabeth Ross, Manager of Finance

## SUBJECT: MONTHLY BUDGET STATUS REPORT FOR JULY 2004 AND AUGUST 2004, AND APPROVAL OF BUDGET TRANSFERS

#### I. RECOMMENDED ACTION

## Staff recommends that the Board of Directors approve the budget transfers for the period of July 1- September 30, 2004.

#### II. SUMMARY OF ISSUES

- Operating revenue for the year to date totals \$6,127,020 or \$17,776 under the amount of revenue expected to be received during the first two months of the fiscal year.
- Total operating expenses for the year to date in the amount of \$4,814,602 are at 14.8% of the budget.
- A total of \$1,589,459 has been expended through August 31<sup>st</sup> for the FY 04-05 Capital Improvement Program.

#### III. DISCUSSION

An analysis of the District's budget status is prepared monthly in order to apprise the Board of Directors of the District's actual revenues and expenses in relation to the adopted operating and capital budgets for the fiscal year. The attached monthly revenue and expense report represents the status of the District's FY 04-05 budget as of August 31, 2004. The fiscal year is 16.7% elapsed.

#### A. **Operating Revenues**

Revenues are \$17,776 under the amount to be received for the period. Variances are explained in the notes following the report.

#### B. <u>Operating Expenses</u>

Operating expenses for the year to date total \$4,814,602 or 14.8% of the budget, with 16.7% of the year elapsed. Variances are explained in the notes following the report.

5 - 7.1

#### C. <u>Capital Improvement Program</u>

For the year to date, a total of \$1,589,459 has been expended on the Capital Improvement Program. Of this, \$1,559,097 has been spent on MetroBase.

October 22, 2004 Board of Directors Page 2

#### IV. FINANCIAL CONSIDERATIONS

Approval of the budget transfers will increase some line item expenses and decrease others. Overall, the changes are expense-neutral.

#### V. ATTACHMENTS

Attachment A: Revenue and Expense Report for July and August, and Budget Transfers

# 5-7.2

### SANTA CRUZ METROPOLITAN TRANSIT DISTRICT NOTES TO REVENUE AND EXPENSE REPORT

- 1. Passenger fares (farebox and pass sales) are \$38,863 or 11% under the final budget amount for the year to date. Special transit fares (contracts) are \$10,660 or 24% over the budgeted amount. Highway 17 Express revenue is \$7,152 or 30% over the year to date budgeted amount. Together, all four passenger revenue accounts are under the budgeted amount for the first month of the fiscal year by a net \$21,051 or 4.5%.
- 2. Personnel expense is over budget for several departments due to payment for August life insurance premiums being included in the July report.
- 3. Human Resources personnel expense is at -0.7% of the budget due to a \$28,478 workers' comp credit during the period.
- 4. Information Technology non-personnel expense is at 11.3% of the budget due to the annual payment of maintenance agreements for the computer system.
- 5. Paratransit program is only at 2.2% of the budget because the July billing was not submitted by the contractor by the report deadline, which comprises most of the expense.
- 6. Workers' comp expense is at 11.1% of the budget due to higher payment of claims than budgeted for the month.
- 7. Absence with pay is at 9.2% of the budget since more vacation time is taken in the summer months. Total payroll is within budget.
- 8. Other fringe benefits are at 9.9% of the budget due to payment of the August EAP premium in the July period.
- 9. Outside repair of vehicles is at 10.1% of the budget since this account fluctuates from month to month, depending on how much work is completed.
- 10. Other mobile supplies is at 37.4% of the budget due to volume purchases in July.
- 11. Postage and mailing is at 10.4% of the budget due to purchase of postage for the postage meter at Administration.
- 12. Office/computer supplies are at 11.1% of the budget due to volume purchase of IT supplies.
- 13. Non-inventory parts is at -13.6% of the budget due to a credit.
- 14. Tools/tool allowance expense is at 14.1% of the budget due to replacement of employee tools required during this period.
- 15. Settlement costs are at 10.0% of the budget due to settlement of several claims during the month.

- 16. Repairs to property is a casualty and liability account to which repairs to District vehicles and property are charged when another party is liable for the damage. All collections made from other parties for property repair are applied to this account to offset the District's repair costs.
- 17. Leases and rentals are at 9.2% of the budget primarily due to the annual payment to Greyhound for Metro Center parking.

### SANTA CRUZ METROPOLITAN TRANSIT DISTRICT NOTES TO REVENUE AND EXPENSE REPORT

- 1. Passenger fares (farebox and pass sales) are \$61,582 or 9% under the final budget amount for the year to date. Paratransit fares are \$3,670 or 13% under budget due to fewer riders for the month than projected. Special transit fares (contracts) are \$1,868 or 2% over the budgeted amount. Highway 17 Express revenue is \$18,968 or 13% over the year to date budgeted amount. Together, all four passenger revenue accounts are under the budgeted amount for the first two months of the fiscal year by a net \$44,416 or 4.6%.
- 2. Advertising income is \$7,000 over budget due to sales of exterior ads on buses. Sales had been projected to begin in January 2005.
- 3. Rent income is \$17,484 over budget due to payment of temporary rent by A Tool Shed pending relocation.
- 4. Human Resources personnel expense is only at 6.9% of the budget due to a \$28,478 workers' comp credit in July.
- 5. Paratransit program personnel expense is at 19.2% of the budget due to hiring of additional ParaCruz staff. Funds will be allocated for this purpose in the November budget revision.
- 6. Operations personnel expense is at 17.3% of the budget due to high workers' comp expenses during the month.
- 7. Paratransit program is only at 8.4% of the budget because the August billing was not submitted by the contractor by the report deadline, which comprises most of the expense.
- 8. Workers' comp expense is at 17.9% of the budget due to higher payment of claims than budgeted for the year to date.
- 9. Absence with pay is at 19.4% of the budget since more vacation time is taken in the summer months. Total payroll is within budget.
- 10. Tires and tubes expense is at 19.5% of the budget since this account fluctuates from month to month, depending on how many tires are purchased.
- 11. Other mobile supplies expense is at 41.2% of the budget due to volume purchases.
- 12. Postage and mailing is at 23.5% of the budget due to purchase of postage for the postage meters for Customer Service and ParaCruz.
- 13. Office/computer supplies are at 19.0% of the budget due to volume purchase of IT supplies.
- 14. Repairs to property is a casualty and liability account to which repairs to District vehicles and property are charged when another party is liable for the damage. All collections made from other parties for property repair are applied to this account to offset the District's repair costs.
- 15. Leases and rentals are at 19.0% of the budget primarily due to the annual payment to Greyhound for Metro Center parking.

# SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

- **DATE:** October 22, 2004
- TO: Board of Directors
- FROM: Steve Paulson, Paratransit Administrator

# SUBJECT: METRO PARACRUZ PROGRAM STATUS MONTHLY UPDATE

## I. RECOMMENDED ACTION

# This report is for information only- no action requested

### II. SUMMARY OF ISSUES

- The Board receives monthly reports on the status of the federally mandated ADA complementary paratransit program
- Operating Statistics reported are for the month of July 2004
- Cost reflects hourly rate increased by 4% effective this reporting period.
- Eligibility/certification statistics reported are through September 30, 2004

## III. DISCUSSION

### **Operating Statistics for July 2004**

			%
	This July	Last July	Change
Cost	\$202,289.99	\$209,209.14	-3.31%
Revenue	\$20,976	\$22,944	-8.58%
Subsidy	\$181,313.99	\$186,265.14	-2.66
Rides performed	7,025	7,887	-10.93%
Cost/ Ride	\$28.80	\$26.53	8.54%
	1.93 rides	2.01 rides	
Productivity	per hour	per hour	-3.98%

\* Revenue does not equal \$3.00/ride because no revenue is generated by rides to and from certification interviews and appeals.

# 5-8.1

Board of Directors Board Meeting October 22, 2004 Page 2

### **Performance Measures**

	July
Rides	7,025
late pick ups	
(more than 20 minutes)	324
% late	4.61%
Picked up too early	
(more than 10 minutes)	86
Total rides not "on time"	410
% "on time"	94.2%
missed trips	0
Excessively late scheduled (more than 60 minutes)	2
Excessively late will call (more than 100 minutes)	5
total violation w/ \$50 penalty	7
Total violation w/\$100 penalty	0
Liquidated damages	\$350

### **Eligibility Certification/ Recertification**

During the month of September 2004, there were 62 applicants for eligibility. 95% were found eligible for some level of service. The total number of eligible riders is effected by expiration of temporary eligibility and other factors. There was a net increase of 56 riders eligible for service during September.

There are no eligibility appeals pending.

TO: Board of Directors

**FROM:** Bryant J. Baehr, Manager of Operations

SUBJECT: UNIVERSITY OF CALIFORNIA - SANTA CRUZ SERVICE UPDATE

### I. RECOMMENDED ACTION

# This report is for information purposes only. No action is required

### II. SUMMARY OF ISSUES

- Student trips for August 2004 increased by 7.4% versus August 2003. Year to date student billable trips have increased by 1.2%.
- Faculty / staff trips for August 2004 increased by 4.3% versus August 2003. Year to date faculty / staff billable trips have increased by .2%.
- Revenue received from UCSC for August 2004 was \$38,971 versus \$32,310 for August 2003 an increase of 20.6%.

	Faculty/Staff Ridership	Student Ridership	Monthly Increase - (Decrease) Student	Monthly Increase - (Decrease) Faculty-Staff
This Year	17,034	28,654	7.4%	4.3%
Last Year	16,327	26,668		

### III. DISCUSSION

September 25, 2003 and ended on June 10, 2004. A summary of the results for August 2004 is:

- Student billable trips for the month of August 2004 were 28,654 vs. 26,668 for August 2003 an increase of 7.4%.
- Faculty / staff billable trips for the month of August 2004 were 17,034 vs.16, 327 for August 2003 an increase of 4.3%.
- Year to date Student billable trips increased by 1.2% and faculty / staff billable trips increased by .2%.
- Revenue for August 2004 was \$38,971 versus \$32,310 for August 2003.

# SUBJECT: STATUS OF THE METROBASE PROJECT

### I. RECOMMENDED ACTION

# That the Board of Directors accept and file the MetroBase Status Report.

## II. SUMMARY OF ISSUES

- The MetroBase Project is currently proceeding according to schedule.
- The City of Santa Cruz Redevelopment Agency is continuing to work on the real estate acquisition and relocation phase of the project.

### III. DISCUSSION

The MetroBase Project is proceeding according to schedule. RNL Design is currently working on the new Maintenance Building design.

The completed components of the project for the review period are as follows:

- A. Right Of Way (ROW)
  - Encroachment Lease @ 1200 River Street for 40 years, approved by Santa Cruz City Council, approved by Metro Board of District.
  - Continuing negotiations with SurfCity Produce and Odwalla in regards to relocating them to 120 Dubois Street.
  - A Tool Shed will be relocating to 280 Harvey West Blvd mid October.
- B. Finance
  - 25 Sakata Lane, Watsonville property being prepared for sale in November/December timeframe and will be advertised for approximately 45 days.
  - Received appraisals for Watsonville property
  - Sent FTA concurrence letter with appraisal for Watsonville property.
- C. Architectural & Engineering (A&E)
  - Approved new design options for Maintenance Building.
  - RNL: Design Phase is 80% complete.
  - RNL Design presented to the Board of Directors design and aesthetic issues on October 22<sup>nd</sup>.

5-11.1

Board Of Directors Board Meeting of October 22, 2004 Page Two

- D. Construction Management (CM)
  - Board of Directors approved a contract for Construction Management services with Harris & Associates on June 25, 2004. Notice to proceed has been issued.
- E. Construction Schedule
  - Approved and executed L/CNG Fueling Station long lead item LNG tank on September 10<sup>th</sup>, 2004.
  - Approved and executed L/CNG Fueling Station long lead item CNG Vessels on September 24<sup>th</sup>, 2004.
  - Goal to request bids for General Construction on Jan. 2005 and award in Mar. 2005.

## IV. FINANCIAL CONSIDERATIONS

The Santa Cruz County Regional Transportation Commission (SCCRTC) will hold a public hearing on Octber 7, 2004 regarding the proposal to reprogram \$7.5 million in Federal Surface Transportation Program funds to the MetroBase Project. If approved, this proposal will be submitted to the California Transportation Commission (CTC) for approval.

### SUBJECT: ACCEPT AND FILE VOTING RESULTS FROM APPOINTEES TO THE SANTA CRUZ COUNTY REGIONAL TRANSPORTATION COMMISSION FOR PREVIOUS MEETINGS

### I. RECOMMENDED ACTION

That the Board of Directors accept and file the voting results from appointees to the Santa Cruz County Regional Transportation Commission.

### II. SUMMARY OF ISSUES

- Per the action taken by the Board of Directors, staff is providing the minutes from the most recent meetings of the Santa Cruz County Regional Transportation Commission.
- Each month staff will provide the minutes from the previous month's SCCRTC meetings.

### III. DISCUSSION

At the January Board of Directors Meeting of the Santa Cruz Metropolitan Transit District, the Board requested that staff include in the Board Packet information relating to the voting results from the appointees to the Santa Cruz County Regional Transportation Commission. Staff is enclosing the minutes from these meetings as a mechanism of complying with this request.

### IV. FINANCIAL CONSIDERATIONS

There is no cost impact from this action.

Board of Supervisors Chambers 701 Ocean Street Santa Cruz CA 95060

### 1. Roll Call

Members Present:	Jan Beautz Tony Campos Scott Kennedy Randy Johnson Mike Keogh Mardi Wormhoudt	Dennis Norton Ellen Pirie Emily Reilly Pat Spence Mark Stone Rich Krumholz (Alt.)
Members Absent:	Richard De La Paz	
Staff Present	Linda Wilshusen Kim Shultz Gini Pineda Karena Pushnik	Pat Dellin Tegan Speiser Luis Mendez Sean Co

### 2. Oral Communications

Dave Eselius said that the Regional Transportation Commission is not doing enough to ensure the success of the sales tax measure. He said that in his opinion building three additional bridges across the freeway was a waste of money, that HOV lanes will probably decrease capacity and that a trolley was not feasible and should be separated from the sales tax measure and put on a referendum along with the purchase of the branch line for the public to vote on.

3. Additions or Deletions to Consent and Regular Agendas

Commissioner Wormhoudt asked to pull Item 8. Chair Beautz designated the item as 26.1 and said if time permitted, it could be heard immediately after Item 25.

Commissioner Beautz said that she had a question about Item 22-b and designated it as Item 30.1.

Executive Director Linda Wilshusen announced there would be no Closed Session. S - 12a

CONSENT AGENDA (Wormhoudt/Campos)

- 4. Approved Minutes of July 27, 2004 Special SCCRTC Meeting (Commissioner Reilly abstained)
- 5. Approved Minutes of August 5, 2004 Regular SCCRTC Meeting (Commissioner Kennedy abstained)
- 6. Approved Minutes of August 19, 2004 Transportation Policy Workshop Meeting

### POLICY

7. Accepted Information Item on California Performance Review

### PROJECTS and PLANNING

- 8. Approve Staff Recommendations Regarding Revisions to Public Information Program for the Measure J Transportation Sales Tax Expenditure Plan (moved to Regular Agenda as Item 26.1)

**REGULAR AGENDA** 

5-12.23

23. Commissioner Reports - None

#### SCCRTC & SAFE

#### 24. Director's Report

Executive Director Linda Wilshusen expressed her appreciation to those who worked on and with the Expenditure Plan Subcommittee, asked that Commissioners select a date for the next Budget and Administration/Personnel Committee meeting and reminded Commissioners that Deputy Director Pat Dellin would be conducting the annual individual meetings with Commissioners.

#### 25. Caltrans Report

Rich Krumholz, Caltrans District 5, said that the work on Highway 9 was still being impacted by the Pavex strike but that work was moving ahead in some areas.

Mr. Krumholz said that the Highway 1/17 Merge Lanes Project was still on track but that there were many variables affecting available funding in the future.

Commissioner Reilly asked for an update on the safety issues at the exit ramp on Morrissey Boulevard. Mr. Krumholz said that traffic safety engineers were working with the City of Santa Cruz to address these issues. Senior Planner Kim Shultz said that Caltrans and the City are planning intermediate and longer term solutions.

26.1 Approve Staff Recommendations Regarding Revisions to Public Information Program for the Measure J Transportation Sales Tax Expenditure Plan (previously Item 8)

Deputy Director Dellin gave the staff report calling attention to the recommendations of Commissioners Beautz, Pirie and Quintanilla to do a second informational mailing instead of inserts to newspapers.

Commissioner Wormhoudt noted changes from what the Commission had agreed to at the August Transportation Policy Workshop meeting. She said she assumed that if there were two mailings instead of one, the second mailing would have different content than the first one. Ms. Wormhoudt said that the Commission should carefully review the piece that only goes to voters because there is a grey area between providing information to the public and campaigning for a position on the issue. She asked if the piece targeted to voters would include pros and cons on the measure.

Commissioner Beautz responded that the second mailer had not been drafted yet, but that the first one had been reviewed by County Counsel. Ms. Beautz said that the second piece would be mailed closer to the election and since it was to be printed in both English and Spanish, would not have room >

5-12:24

for much discussion of the measure.

Commissioner Wormhoudt said she wanted to make sure the Commission was insulated from the appearance of campaigning for the sales tax measure.

Commissioner Kennedy asked County Counsel Rahn Garcia whether there was a legal issue with sending an informational mailer only to registered voters and requested that staff return with information on what other jurisdictions did in similar situations.

Mr. Garcia said that an informational piece can be directed to a select audience, in this case the voters making the decision, and that the important thing was that the message does not take a position on the issue.

Bruce van Allen, representing the "No on J Committee", said that California has guidelines regarding the expenditure of public funds by a public agency distributing information relative to a ballot measure and warned that opponents would be watching carefully to see that the Commission adhered to these guidelines. He said that the "No on J Committee" is demanding public review of all material distributed to the public, that material not convey any opinion and that material not be targeted only to registered voters or mailed within 29 days prior to voting.

Dave Eselius said the "No on J Committee" just wants to undermine widening Highway 1 and that all alternative transportation improvements should be pulled from the sales tax measure.

Commissioner Pirie moved to approve the staff recommendations that the Regional Transportation Commission:

- 1. Approve a revised workplan and budget for the Measure J Public Information Program consistent with the recommendations of Commissioners Beautz and Pirie and Commission Alternate Quintanilla, and,
- 2. Approve a resolution authorizing the expenditure of an additional \$3,500 for the Public Information Program for the Local Transportation Sales Tax Measure Expenditure Plan bringing the total amount for this effort to \$58,500,

with the addition that the second mailing come back to the Commission for approval at the September Transportation Policy Workshop (TPW).

Commissioner Wormhoudt seconded with the addition that County Counsel submit a written response at the September

TPW to the issues raised by the "No on J Committee".

Mr. Garcia confirmed that this was possible and the motion (Resolution 10-05) passed unanimously.

26. 9:30 a.m. Public Hearing on Unmet Transit and Paratransit Needs

Senior Planner Karena Pushnik said that the draft list on pages 26-3 through 26-7 included extensive input from the Transit District and was approved by the Elderly and Disabled Transportation Advisory Committee.

Ms. Pushnik said the list may need to be reorganized or prioritized in the future, but that it illustrated the unmet needs for paratransit service beyond what is required by the Americans with Disabilities Act. She said the demand for service exceeds the supply, that service may need to be developed for people outside the Metro's ADA paratransit service area, that taxi script has a waiting list and that there is a need for same-day medical service and increased service in areas in south county.

The Public Hearing was opened.

Dave Eselius said that there was a problem mixing funding for paratransit and ParaCruz services and a dispatch problem and would like to see an action item to identify a way to better serve customers.

Scott Bugental, representing both the Elderly and Disabled Transportation Advisory Committee and the Seniors Council, noted that some of the suggestions might be operational problems, such as changing the fare structure, rather than an unmet need. He said that at one time there was interest for local hospitals to provide non-ambulance transportation for same-day medical service which could save money. He also said that severe cutbacks for transportation to senior dining centers are a social issue and not just a food issue.

The Public Hearing was closed.

Commissioners commented that the list could be re-organized or re-grouped to indicate short and long term goals, but were glad to see so much input on the issues.

Commissioner Pirie moved and Commissioner Wormhoudt seconded to approve the staff recommendations that the Santa Cruz County Regional Transportation Commission approve a final list of Unmet Paratransit/Transit Needs and direct staff to work with the Elderly & Disabled Transportation Advisory Committee, the Paratransit Coordination Task Force and other

5-12.a7

entities to address the identified unmet needs and consider these unmet needs in future planning and funding decisions.

The motion passed unanimously.

27. Proposed Process for Amendment of the 2004 Regional Transportation Improvement Program (RTIP) to Provide Funds for Santa Cruz Metro's MetroBase Project

Deputy Director Pat Dellin described a two-step process to amend the Regional Transportation Improvement Program (RTIP). She said it would be possible to trade STIP funds programmed to some existing projects for future Regional Surface Transportation Program (RSTP) funds, which would then free up the STIP funds to be reprogrammed to the MetroBase project. Ms. Dellin said that the local jurisdictions with STIP projects as well as the SCMTD supported this proposal. She added that Santa Cruz Metro could bond for earlier funds for the MetroBase project as soon as the project was programmed back into the STIP. She said a public hearing would be needed to amend the Regional Transportation Improvement Program (RTIP) to implement this proposal. She added that an RTIP amendment was also needed to align other projects with the approved STIP.

Commissioner Spence noted a duplicate listing of the Front / Laurel Street project. She added that she was glad the cities and the County were willing to trade funds so that the MetroBase project could move forward.

Commissioner Pirie objected to the way the region has to match its adopted RTIP with the state's adopted STIP which in effect overrides the region's authority to prioritize its projects. She asked for a legal analysis to determine if the California Transportation Commission (CTC) had the statutory authority to do this.

Commissioner Beautz asked Executive Director Linda Wilshusen about the Regional Transportation Planning Agency Executive Directors' Meeting with the California Transportation Commission Chairman held in Sacramento on August 18, 2004.

Director Wilshusen said that there is dissatisfaction all over the state concerning the low priority transportation projects are given and the fact that the State has not paid back the billions borrowed from transportation funds to support the state's General Fund. She said the consensus was that there was a need for a transportation ballot initiative to protect the gas tax and Proposition 42 funds.

Commissioner Pirie moved and Commissioner Reilly seconded to approve the staff recommendations that the SCCRTC:

5-1228

- 1. Schedule a public hearing for its October meeting to consider the staff and Interagency Technical Advisory Committee (ITAC) recommendations to amend the Regional Transportation Improvement Program (RTIP) to:
  - a. Trade up to \$7.5 million in FY06/07-08/09 STIP funds for FY06/07-08/09 Regional Surface Transportation Program (RSTP) funds for the projects listed in Attachment\_1;
  - b. Program the freed up STIP funds and/or a portion of the FY06/07-08/09 RSTP funds totaling \$7.5 million to the MetroBase project; and
  - c. Update project listings for remaining projects to be consistent with the adopted STIP.

The floor was opened to public comment.

Dave Eselius said that rather than focusing on the needs of the MetroBase, the Commission should reestablish its priorities.

The motion passed unanimously.

28. Status Report on Highway 1 Projects

Oral presentations were made by Chris Metzger, Nolte Associates, and Ben Strumwasser, Public Affairs Management.

Mr. Strumwasser gave the Commissioners a summary report describing the public outreach meetings regarding the Highway 1 HOV Widening Project and showed how the public comments were organized. He said there was input both in support of and in opposition to the project and that topics included toll issues, the safety impact of short HOV lanes, interchange improvements, impacts during construction, and environmental issues such as noise and visual impacts.

He said that there was a lot of concern as to whether the soundwalls would create more noise in areas not immediately adjacent to the highway.

Mr. Metzger gave an overview of other aspects of the Highway 1 HOV Widening Project Project Approval Environmental Document (PA/ED). He said that the Project Development Team had begun discussing the highway widening alternatives, including a no-build alternative and building HOV lanes either using Caltrans standards or looking at places where Caltrans standards could be reduced. He said that additional alternatives are being considered including diamond interchanges, more direct access to HOV lanes especially for busses and an eight lane option.

Mr. Metzger said that the AMBAG traffic model is still not finished. He indicated that the schedule to complete the environmental document has been pushed back to the end of 2007 due to the delay in the traffic model. He added that the Commission will begin a specific proposal regarding PA/ED alternatives in the next few months.

Commissioner Beautz asked that staff ask for a written report from AMBAG regarding the model and a written report on whether the Commission should produce its own model in the future.

Commissioner Campos volunteered to set up a meeting with Nick Papadakis of AMBAG on this issue.

Commissioner Pirie asked for copies of documents showing the potential locations of bike/pedestrian over-crossings and also the draft supplemental Project Study Report and Environmental Impact Report.

In response to a question from Commissioner Reilly, Chris Metzger said that alternatives to concrete were being studied for the soundwalls. Ms. Reilly asked where Nolte Associates is getting information for alternative materials.

Rich Krumholz, Caltrans District 5, said that there was a research and innovation link on the Caltrans website that could provide some information on the subject.

The floor was opened to public comment.

Dave Eselius said the Commission needs to define objectives and design early on and define a standard, which is currently three lanes straight through, and from that standard develop increased benefits and costs, for example moving the HOV lane to the outside lane and then compare to the standard.

Commissioner Reilly moved to approve the staff recommendations that the Regional Transportation Commission accept the Fourth Quarterly Progress Report from the consultant on the Highway 1 HOV Lane Widening Project, and receive a Status Report on other activities related to the Highway 1 Projects.

Commissioner Pirie seconded and the motion passed unanimously.

29. Santa Cruz Branch Line Acquisition - Release of Draft Business Plan

5-12.29

Senior Planner Luis Mendez said that the Commission decided on August 19th that it would best serve the public to release the Business Plan and give the public time to review it prior to a presentation by Systra Consulting which will be held on September 16, 2004. He said that a Request for Proposals (RFP) for short line operators does not exist and that when it is time, the RFP process will be conducted in public.

Commissioner Wormhoudt moved to approve the staff recommendations to present and discuss the draft Santa Cruz Branch Line Business Plan at the September 16<sup>th</sup> Regional Transportation Commission Policy Workshop. Commissioner Campos seconded.

The floor was opened to public comment.

Dave Eselius said he did not understand the relevance of the plan and that it has clouded the issue of widening the highway which is the only way to improve transportation.

Commissioner Reilly noted that both the County and City of Santa Cruz Master Transportation Study say that no transportation improvements will work unless there is a strong viable transit system.

Commissioner Pirie said she objected to the staff summary of the business plan, saying that the conclusions were based on assumptions without complete information.

A vote was taken and the motion passed unanimously.

30. Amendment to Contract with Miller, Owen & Trost for Rail Line Acquisition Negotiation Services

Senior Planner Luis Mendez gave the staff report, saying that the rates charged by Miller, Owen & Trost (MOT) had not changed since the initial contract in March 2001 and that the term of the contract needed to be extended one more year for their work to be completed.

Commissioner Keogh said that to date the Commission has already authorized \$400,000 to MOT and received one report that he said is the worst document he has ever read. He gave examples of inconsistencies and assumptions and stated that he concluded from them that either Systra Consulting is incompetent or was influenced to make findings that were not rational. He moved to extend consideration of the amendment to November and to have copies of all reports, including marked up documents, between the Regional Transportation Commission, Miller, Owen & Trost and Systra to be brought to the Commission before action on the amendment is taken.

5-12<u>a</u>10

Commissioner Spence seconded saying that the Phase I Environmental Assessment should be added to the list of capital projects with available funding on page 30-10 of the staff report.

Commissioner Spence asked who the Project Manager was and what was considered a reimbursable cost. Ms. Spence also asked if environmental assessment was included in the costs listed on page 30-10.

Executive Director Linda Wilshusen identified herself as the Project Manager. Senior Planner Luis Mendez said that reimbursable costs included postage, copying and travel costs.

Ms. Wilshusen said that the Phase I assessment was already completed and in response to a further question from Commissioner Spence, said she would check where the funding for it came from and add it to the list.

Commissioner Beautz said she wanted the sub-consultant chart to list what reports were made and how the funding was spent before authorizing more money to the contract.

Director Wilshusen said that the Commission had seen all of the reports at different times and that staff will modify the chart and confirm whether the report was submitted in open or closed session.

Commissioner Beautz said she wanted to continue the item until reviewing the reports.

Commissioner Reilly called the question.

The motion failed with Commissioners Keogh, Spence and Beautz voting in favor of it.

Commissioner Wormhoudt moved to continue the Item to the Transportation Policy Workshop meeting on September 16<sup>th</sup> along with the information on the sub-consultants' reports including if and when the Commission saw them. Commissioner Pirie seconded.

Director Wilshusen clarified this is referred only to the MOT contract and their subcontractors and noted that the appraisers are contracted directly with the Commission.

Commissioners discussed what additional reports would be necessary and suggested adding the estimated future costs to the chart.

5-12.all

The motion passed unanimously.

30.1 Copy of Letter from the California Public Utilities Regarding Railroad Crossing Improvement Recommendations for Proposed Rail Service (formerly Item 22b)

Commissioners discussed a letter from the Public Utilities Commission dated January 23, 2004 and whether the letter should be included in the Environmental Impact Report (EIR) and the draft Business Plan.

Luis Mendez, SCCRTC staff, confirmed that the consultants for the recreational rail EIR have a copy of the letter and that the crossings discussed were inspected by the consultants.

Commissioner Beautz asked that the letter be added to the draft Business Plan.

Commissioner Spence said that the letter is referenced in the draft Business Plan but that there is another letter that is not included. Commissioner Pirie asked that this letter be given to the Commission.

Senior Planner Karena Pushnik said the second letter was included in the comments to the EIR and had been distributed to the Commission.

Commissioner Wormhoudt moved to accept the information item and Commissioner Reilly seconded. The motion passed unanimously.

31.Next Meetings/Adjournment

The meeting adjourned at 11:45 a.m.

The next Transportation Policy Workshop is scheduled for Thursday, September 16, 2004 at 9:00 a.m. at the Board of Supervisors Chambers, 701 Ocean Street, Santa Cruz CA 95060.

The next regular SCCRTC meeting is scheduled for Thursday, October 7, 2004 at 9:00 a.m. at Santa Cruz City Council Chambers, 809 Center Street, Santa Cruz, CA 95060.

Respectfully submitted,

Gini Pineda, Secretary

5-12.a12

#### **REGIONAL TRANSPORTATION COMMISSION**

**Transportation Policy Workshop** 

#### **MINUTES**

Thursday, September 16, 2004 9:00 am Board of Supervisors Chambers 701 Ocean Street Santa Cruz, CA 95060

Members Present:	Jan Beautz	Ellen Pirie
	Richard De La Paz	Edenilson Quintanilla (Alt.)
	Randy Johnson	Emily Reilly
	Scott Kennedy	Pat Spence
	Mike Keogh	Mark Stone
	Dennis Norton	Mardi Wormhoudt
	Dave Murray (ex-officio) (Alt.)	

Staff Present:	Linda Wilshusen	Pat Dellin
	Tegan Speiser	Karena Pushnik
	Luis Mendez	Gini Pineda
	Kim Shultz	

1. Introductions

A roll call was taken.

2. Oral Communications

Katharine Herndon said she was concerned about widening Highway 1 and brought copies of a video titled *Taken for a Ride* for the Commissioners to view. Ms. Herndon read from a brochure describing the pitfalls of too many freeways and highways at the expense of other transit modes.

Elaine Chatkowski read from an article in the *Sentinel* that correlated reduced lung capacity with smog and pollution.

3. Additions/Deletions to the Agenda

Regarding Item 7, Commissioner Wormhoudt said that Executive Director Linda Wilshusen had done an outstanding job during her nineteen year tenure and would be sorely missed. Other Commissioners expressed their regrets at her resignation and the Commission staff and the audience gave her a round of applause.

5-12a14

Commissioner Spence asked that the wording on page 4-3 of the August 19, 2004 Transportation Policy Workshop meeting minutes be changed from referring to a traffic impact on "Metro" lots to "public" lots.

#### CONSENT AGENDA (Wormhoudt/Pirie) - approved unanimously

- 4. Accepted Minutes of the August 19, 2004 TPW Meeting as amended
- 5. Approved Staff Recommendations Regarding Adoption of the FY 04-05 Disadvantaged Business Enterprise (DBE) Program
- 6. Resolution of Appreciation for the Services of Bart Cavallaro as a Member of the SCCRTC (Resolution 11-05)
- 7. Accepted Letter from Executive Director Announcing Her Resignation
- 8. Accepted Information on Rail Diesel Car Demonstration Program
- 9. Accepted Status Report on Highway 1 Projects

#### **REGULAR AGENDA**

10. Public Information Program for Measure J: The Local Transportation Improvement Act (Sales Tax Expenditure Plan)

Deputy Director Pat Dellin said that two informational pieces will be mailed regarding Measure J. The first mailing will be sent to all households in the County and the second mailing targeted to registered voters. Ms. Dellin said that the Commission was being asked to review the text of the second mailing. She stated that the Commissioners (Beautz, Pirie and Quintanilla) delegated to work with staff on the public information program had worked with County Counsel Rahn Garcia to word the document properly. Ms. Dellin said that Mr. Garcia had also responded to questions posed to the Commission at the September Regional Transportation Commission meeting regarding whether it was allowable for public funds to be used to mail an informational item regarding a ballot measure to a targeted audience of registered voters and if a mailing of this kind could be done within 29 days of the election. Mr. Garcia's written response was distributed to Commissioners.

Commissioner Wormhoudt noted that the brochure for the initial mailing states that Measure J sales tax dollars stay in Santa Cruz County, and that while this was true for nearly all the projects, the money targeted for the Pajaro Station would be expended in Monterey County. She said that even though the station would benefit Santa Cruz County residents, the wording could be challenged by opponents to Measure J.

Commissioners discussed how to resolve this issue, agreeing that the point is to assure residents that the state could not appropriate the sales tax revenues for projects elsewhere.

# 5-12a15

Commissioner Kennedy moved to approve the staff recommendations to:

- 1. Accept the response from County Counsel to the press release from the Campaign for Sensible Transportation No on J;
- 2. Accept the text of the public information mailer on Measure J to be sent to all households and businesses countywide and to select community groups; and
- 3. Approve the text of the public information mailer to be mailed to voters on Measure J

with the addition to let the Commissioners delegated to work with staff on the public information program make the changes in wording necessary to address the issue raised by Commissioner Wormhoudt. Commissioner Beautz seconded the motion.

Commissioner Wormhoudt pointed out that the brochure says that the lane that would widen Highway 1 was designated for carpool and bus lanes and that this statement could pose a problem since the lane would be a multi-use lane during non-peak hours. She suggested a footnote clarifying this to avoid misunderstanding.

Commissioners discussed the issue noting that carpool lane use is governed by Caltrans and that the practice of opening carpool lanes to all traffic during non-peak hours was consistent throughout the state. Deputy Director Dellin added that the second page of the brochure states that the lane would be used by all vehicles during non-peak hours.

The floor was opened to public comment.

**Piet Canin**, Bike to Work, said that the list of projects funded by Measure J in the brochure shows \$23 million going to a coastal bike/pedestrian trail next to the rail line. He said he would like a footnote to clarify that this funding would only be used for the construction of a trail and not for the purchase of the rail right-of-way.

**Peter Scott**, No on J Committee, said that the proposed mailings clearly advocate passage of the sales tax measure. He said he is concerned that public funds are being used for promotional pieces and said his understanding is that all consequences need to be disclosed and that the intended mailing does not see any bad sides of the proposal.

**Dave Wright**, Friends of the Rail Trail, said that votes will be lost if there are no restrictions stating that the money designated for the coastal trail will not be used for purchasing the rail right-of-way.

Commissioner Kennedy restated his motion and the motion passed unanimously.

Commissioner Norton asked if Jim Conklin could give an update on the campaign to support Measure J.

Since the matter was not on the agenda for discussion, Commissioner Kennedy moved to reopen Oral Communications, Commissioner Wormhoudt seconded and the motion passed unanimously.

5-12a16

**Jim Conklin** said the Citizens for Improved Transportation were in the process of organizing their efforts and would kick off their campaign on September 30<sup>th</sup> from 7-9 p.m. at the Sesnon House. In answer to a question posed by Commissioner Wormhoudt, Mr. Conklin said the committee had registered three years ago and planned to re-register today.

11. Santa Cruz Branch Line Acquisition - Presentation on Draft Business Plan

Executive Director Linda Wilshusen said that Kirk Trost of Miller, Owen & Trost and Paul Sullivan of Systra USA would make a presentation on the draft Business Plan and be available for questions.

Kirk Trost said that when the acquisition negotiations began there was no plan for passenger rail or for freight service obligation. Because the plan has changed in the last two years, the draft Business Plan addresses these two added components.

Mr. Trost emphasized that the plan was a draft only and that there was information that would be necessary for a final plan that has not yet been made available by Union Pacific. He referred to the draft plan as a tool for the Commission to use as a starting point and that the plan will evolve into a more complex document as new information becomes available.

Paul Sullivan, Systra, said that key findings included that a short line railroad could continue freight service profitably and that recreational rail usually does not need public subsidy. He discussed critical issues for ownership including liability insurance, maintenance and repair obligations and property insurance. He said that freight and recreational rail could operate on the same line and advised that the operator for both the freight and recreational service be the same in order to coordinate service and maximize utilization of personnel. Mr. Sullivan explained that revenues would flow to the right-of-way owner from easements paid by utilities and property owners.

Kirk Trost concluded the presentation reviewing the next steps including exploring lower cost rolling stock opportunities, obtaining Union Pacific property and inspection records, analyzing structures and refining the SCCRTC internal management plan.

Commissioner Keogh asked questions about property and liability insurance, ridership assumptions, crossings improvements and the process of upgrading from the current status of "excepted class" to Class I.

Mr. Trost replied that the assumption is that the Commission will carry baseline property insurance and that the operator will provide liability insurance with the Commission listed as additionally insured. He said that the addition of passenger rail did not authorize the Public Utilities Commission (PUC) to impose changes at the crossings but encouraged discussion with the PUC to provide additional safety if necessary.

Mr. Sullivan said that a detailed inspection was made and that to upgrade to Class I, joint bars would need to be replaced. He estimated that \$25,000 would be sufficient to replace the joint bars in the section currently planned for recreational rail, assuming used materials were purchased.

5-12a17

Commissioner Keogh asked if \$15,000 was sufficient to assess the bridges along the track. Mr. Sullivan said that this was an estimate and that a proper assessment could not be made without information from Union Pacific.

Due to time constraints, the meeting adjourned into Closed Session at 10:40 a.m.

#### **CLOSED SESSION**

- 13. Conference with Real Property Negotiator for Acquisition of the Santa Cruz Branch Rail Line Property: Santa Cruz Branch Rail Line from Watsonville Junction to Davenport
  - Agency Negotiator: Kirk Trost, Miller, Owen & Trost
  - Negotiation Parties: SCCRTC, Union Pacific
  - Under Negotiation: Price
- 14. Conference with Real Property Negotiator for Lease of the Santa Cruz Branch Rail Line Property: Santa Cruz Branch Rail Line from Watsonville Junction to Davenport
  - Agency Negotiator: Kirk Trost, Miller, Owen & Trost
  - Negotiation Parties: SCCRTC, Sierra Railroad, Santa Cruz Big Trees and Pacific Railway Company and Other Potential Short Line Railroad Operators
  - Under Negotiation: Price

#### **OPEN SESSION**

Open Session re-convened at 10:55 a.m.

Commissioners continued to discuss the draft Business Plan. Commissioner Johnson noted that insurance rates often increase after natural disasters.

Commissioner Pirie asked if the lower expenses incurred by a short line operator was due to hiring a non-unionized crew.

Mr. Sullivan said that was possible but that other factors included lower administrative costs and the flexibility to tailor schedules to meet needs.

Regarding safety speeds and the differences between excepted class and Class I, Mr. Sullivan said that higher speeds require tighter tolerances such as less distance between joint bars and that excepted class meant that the owner guaranteed that the speed is low, whereas Class I needs to report to the FRA and be inspected periodically. Mr. Trost explained that the class is self-designated but that passenger service requires a Class I designation.

## 5-12.a 18

Commissioner Pirie asked questions about liability, crew requirements and why the Oregon DOT was selling their Budd cars. Mr. Sullivan said whoever is maintaining the track should accept liability and it is typical for the operator to do so for a short line. He said he had never experienced an insurance company requiring a grade crossing improvement and that there was not an FRA regulation requiring a certain number of crew to operate vehicles on the line.

9/16/04

Director Wilshusen said that the Oregon DOT rail service was authorized as short term Lewis & Clark/Bicentennial service and would be concluded next year.

Commissioner Pirie raised questions about revenue estimates vis a vis ridership estimates, asking if ridership were low would expenses also be less. Mr. Sullivan said that reduced service would lower expenses and pointed out that the operator can take measures to make the business profitable, such as maximizing the income from easements. Senior Planner Luis Mendez added that the City of Santa Cruz currently pays Union Pacific \$27,000 per year to lease property on the right-of-way. Commissioner Norton said that several areas in Capitola lease land from the railroad also.

Commissioner Beautz began a discussion about the proposed trail next to the rail line and asked if the FRA had restrictions on a trail adjacent to an active rail line. Mr. Trost said he was not aware if the FRA had jurisdiction over a trail but said that the Federal Highway Authority had prepared a best practices report on operating rail with trails which was available on-line.

Commissioner Beautz asked Mr. Sullivan to find out if the FRA has any jurisdiction regarding a trail.

Commissioner Beautz noted that mitigations mentioned in the EIR were not included in the draft Business Plan and asked who would pay for them. Mr. Trost said that the Commission would make that decision but that mitigations were usually not the responsibility of the operator. He noted that the plan references potential environmental mitigations as an unknown cost.

Commissioners discussed why a short line could make a profit when Union Pacific operated at a loss. It was commented that continuing to provide freight service at a competitive price was essential and that involving RMC Pacific Materials would be helpful. Mr. Trost said that in general, Union Pacific would pay the short line to run between Davenport and Watsonville and that revenues generated beyond Watsonville would belong to Union Pacific.

Public comment was heard.

**Robert Jones** said the business plan was inadequate and was really a scoping study. He said there was no actual data from Union Pacific regarding costs and revenues and that Union Pacific sees the Commission "slathering at the mouth over the purchase" and will keep a carrot dangling in front of them. He said running the freight line with a little recreational line posed a huge problem if the freight operator bailed because the Commission would then

be forced into the freight business. He also said that by acquiring the right-of-way and allowing a private company to operate the freight and passenger rail services, the Commission was subsidizing a private company so it could make a profit.

**Mike Hart**, Sierra Railroad, answered many questions already discussed by the Commissioners asserting that railroad liability insurance is round the clock and that the rates are actually beginning to come down. He explained that if an operator who already had an insured rail line added another service to the policy, the rates for the additional service would be considerably lower than a stand alone policy. He said that the draft Business Plan was very complete given the state of negotiations and that there were no secrets about the track which can be examined by anyone. He said that the FRA was not involved with regulating rail trails.

Mr. Hart said it was critical to combine the freight and passenger services and that an operator must be selected before negotiations with Union Pacific are finalized. He said that a trust could be set up to make money to help the owner pay for the necessary capital improvements to tracks and trestles.

**Cliff Walters**, Roaring Camp and Big Trees Railroad, said he thought the plan was pretty good and agreed with Mr. Hart that the ridership, operating and revenue numbers were conservative, adding that he had originally provided the figures. He said that the corridor was very scenic and that many tourist lines actually traveled through industrial areas. He said that Roaring Camp and Big Trees charged \$20 per roundtrip for adults and \$15 for children.

**Bob Yount** asked what locomotives would be used to transport freight from the short line to the Union Pacific line in Watsonville. Mr. Hart said that his company could provide two or three locomotives which would be operated by biodiesel fuel.

**Bill Comfort** distributed a letter criticizing the draft Business Plan noting that there was no provision for mitigations and that the cost of the improvements would end up being more than cost of right-of-way.

**Jeff LaPierre** said the draft Business Plan was inadequate, that there was no provision for an advertising budget and that a 50 year commitment to rail service was a huge risk.

Ken Kanegaard, RMC Pacific Materials advised to consider the costs of demurrage.

Commissioner Spence said it was hard to understand the draft Business Plan and that there was no balance sheet so it was not clear when the funding will fall into place or when the hazardous materials tests would be done.

This item was for information only.

12. Amendment to Contract with Miller, Owen & Trost for Rail Line Acquisition Negotiation Services (continued from September 2, 2004 meeting)

# 5-12.a 20

Senior Planner Luis Mendez said that the additional information which had been requested by the Commission at the September 2, 2004 Regional Transportation Commission meeting was added to the staff report, including sub-consultants to the Miller, Owen & Trost (MOT) contract along with the funds budgeted and spent by each through July 31, 2004. He noted a correction to page 12-11.

In answer to questions posed by Commissioner Keogh, Mr. Mendez indicated that the funding for the lease investigations would come from federal funds and that the going concern appraisal was included in the appraisals contracts.

Commissioner Wormhoudt moved to approve the staff recommendations that the Regional Transportation Commission adopt the attached resolution adding \$155,000 in allocated, earmarked federal funds to the Santa Cruz Branch Rail Line acquisition services contract with Miller, Owen and Trost, increasing the hourly rates on the contract, extending the term of the contract to December 31, 2005, and authorizing a Fiscal Year 04-05 budget amendment consistent with this action. Commissioner Norton seconded.

The motion (Resolution 12-05) passed with Commissioners Johnson, Kennedy, Norton, Stone and Wormhoudt voting in favor of the motion and Commissioners Beautz, Keogh and Spence voting against it. Commissioners De La Paz, Pirie, Quintanilla and Reilly were absent from the vote.

13. Recreational Rail Environmental Impact Review - Amendment to Contract for Additional Technical Studies

Executive Director Linda Wilshusen reported that in accordance with Commission directive, discussions with environmental and legal consultants were held and it was determined that noise measurements studies and additional air quality analyses could be performed at a cost of \$7,000.

Commissioner Spence remarked that noise level measurements in another area would not be accurate because the area is different from Aptos. Ms. Wilshusen explained that population density did not affect the level of noise emitted from the rail car itself.

Commissioner Norton moved and Commissioner Wormhoudt seconded to approve the staff recommendation to approve a resolution adding \$7,000 in already-allocated Proposition 116 funds to the existing contract with Public Affairs Management for the additional technical analyses needed to complete the response to comments and Final EIR for Recreational Rail Service between Capitola and Aptos, based on the letter from consultants Public Affairs Management.

The motion (Resolution 13-05) passed unanimously.

16. Next Meetings / Adjournment

The next regular Commission Meeting will be held Thursday, October 7, 2004 at 9:00 a.m. at the Santa Cruz City Council Chambers, 809 Center Street Santa Cruz, CA.

The next Transportation Policy Workshop will be held Thursday, October 21, 2004 at 9:00 a.m. at the SCCRTC Office, 1523 Pacific Avenue, Santa Cruz, CA.

Respectfully submitted,

Gini Pineda, Secretary

## SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

**DATE:** October 22, 2004

TO: Board of Directors

**FROM:** Tom Stickel, Manager of Fleet Maintenance

### SUBJECT: CONSIDERATION OF CONTRACT RENEWAL WITH DIXON & SON, INC. FOR PURCHASE OF REVENUE AND NON-REVENUE TIRES

#### I. RECOMMENDED ACTION

District staff is recommending that the Board of Directors authorize the General Manager to execute an amendment to the contract with Dixon and Son, Inc. to extend the term of the contract for one (1) additional year.

#### II. SUMMARY OF ISSUES

- The District has a contract with Dixon & Son, Inc. for revenue and non-revenue tires.
- At the option of the District, this contract may be renewed for four (4) additional oneyear terms.
- Dixon & Son, Inc. has indicated that they are interested in extending the contract an additional year to December 14, 2005 with an increase in prices on retreads, non-revenue tires, valve stems and labor. Price increases are limited to the annual percentage change in the Consumer Price Index for the San Francisco Oakland San Jose area. There will be no price increases for revenue tires.

#### III. DISCUSSION

The District's current contract with Dixon & Son, Inc. for revenue and non-revenue tires is due to expire on December 14, 2004. Dixon & Son, Inc. has provided good service under this contract. An extension of the contract would be favorable to the District. Section 3.02 of the contract allows the District the option to renew the contract for four (4) additional one-year terms. Dixon & Son, Inc. has also reviewed the contract and has indicated their desire to extend the contract for one additional year with price increases for retreads, non-revenue tires, valve stems and labor. There will be no price increases for revenue tires. Price increases are limited to the annual percentage change in the Consumer Price Index for the San Francisco – Oakland – San Jose area as provided in the original contract.

It is recommended that the Board of Directors authorize the General Manager to execute an amendment to the contract with Dixon & Son, Inc. to extend the contract one (1) additional year.

#### SANTA CRUZ METROPOLITAN TRANSIT DISTRICT FIFTH AMENDMENT TO CONTRACT FOR REVENUE AND NON-REVENUE TIRES

This Fifth Amendment to the Contract for revenue and non-revenue tires is made effective December 15, 2004 between the Santa Cruz Metropolitan Transit District, a political subdivision of the State of California ("District") and Dixon and Son, Inc. ("Contractor").

- I. RECITALS
- 1.1 District and Contractor entered into a Contract for revenue and non-revenue tires ("Contract") on December 15, 2000.
- 1.2 The Contract allows for the extension upon mutual written consent.
- Contractor has requested a price increase for retreads, non-revenue tires, valve stems and labor.

Therefore, District and Contractor amend the Contract as follows:

- II. TERM
- 2.1 Article 3.02 is amended to include the following language:

This Contract shall continue through December 14, 2004. This Contract may be mutually extended by agreement of both parties.

- III. COMPENSATION
- 3.1 Article 5.01 is amended to include the following language:

Effective December 15, 2004, prices for retreads, non-revenue tires, valve stems and labor shall be increased at a percentage rate equal to the annual percentage change in the Consumer Price Index for the San Francisco – Oakland – San Jose Area (1.8 %).

- IV. REMAINING TERMS AND CONDITIONS
- 4.1 All other provisions of the Contract that are not affected by this amendment shall remain unchanged and in full force and effect.
- V. AUTHORITY
- 5.1 Each party has full power to enter into and perform this Fifth Amendment to the Contract and the person signing this Fifth Amendment on behalf of each has been properly authorized and empowered to enter into it. Each party further acknowledges that it has read this Fifth Amendment to the Contract, understands it, and agrees to be bound by it.

Mr. Lloyd Longnecker District Buyer Santa Cruz Metropolitan Transit District 120 Du Bois Street Santa Cruz, CA 95060

Re: Renewal of Contract for Vehicle Body Repair & Paint Services (02-08)

Dear Mr. Longnecker,

We are extremely pleased to have received your letter proposing a first amendment to our current contract with Santa Cruz Metropolitan Transit District. It has been our pleasure to work with the professional Fleet Maintenance Staff of Santa Cruz Metro Transit District. We look forward to having the opportunity to continue to provide you with quality repairs and the service you expect.

In accordance with your letter dated September 9, 2004, please accept this letter as our intent to extend our agreement from January 1, 2005 through December 31, 2005.

With reference to the third paragraph in your letter we would like to exercise our option to use the Consumer Price Index for all urban consumers increase. We would like to use the information faxed to us by you today and increase our labor rate by the 1.8% making the change from \$45.00 per hour to \$45.81 per hour.

Please contact me with any questions or comments.

Thank you.

Sincerely,

Tracy Lewis President T&J LEWIS, INC. DBA CLASSIC GRAPHICS

#### SANTA CRUZ METROPOLITAN TRANSIT DISTRICT FIRST AMENDMENT TO CONTRACT FOR VEHICLE BODY REPAIR AND PAINT SERVICES

This First Amendment to the Contract for vehicle body repair and paint services is made effective January 1, 2005 between the Santa Cruz Metropolitan Transit District, a political subdivision of the State of California ("District") and Classic Graphics ("Contractor").

#### I. RECITALS

- 1.1 District and Contractor entered into a Contract for vehicle body repair and paint services ("Contract") on January 1, 2003.
- 1.2 The Contract allows for the extension upon mutual written consent.
- 1.3 Contractor has requested an increase in the labor rate as allowed in the contract.

Therefore, District and Contractor amend the Contract as follows:

- II. TERM
- 2.1 Article 3.02 is amended to include the following language:

This Contract shall continue through December 31, 2005. This Contract may be mutually extended by agreement of both parties.

- III. COMPENSATION
- 3.1 Article 5.01 is amended to include the following language:

Effective January 1, 2005, the rate for labor will be \$45.81 per hour.

- IV. REMAINING TERMS AND CONDITIONS
- 4.1 All other provisions of the Contract that are not affected by this amendment shall remain unchanged and in full force and effect.
- V. AUTHORITY
- 5.1 Each party has full power to enter into and perform this First Amendment to the Contract and the person signing this First Amendment on behalf of each has been properly authorized and empowered to enter into it. Each party further acknowledges that it has read this First Amendment to the Contract, understands it, and agrees to be bound by it.

### SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

**DATE:** October 22, 2004

TO: Board of Directors

**FROM:** Tom Stickel, Manager of Fleet Maintenance

SUBJECT: CONSIDERATION OF CONTRACT RENEWAL WITH FOLGER GRAPHICS FOR THE PRINTING OF *HEADWAYS* 

#### I. RECOMMENDED ACTION

District staff is recommending that the Board of Directors authorize the General Manager to execute an amendment to the contract with Folger Graphics for the printing of *Headways* to extend the term of the contract for one (1) additional year and increase the rate of compensation.

#### II. SUMMARY OF ISSUES

- The District has a contract (No. 02-12) for the printing of *Headways*.
- At the option of the District, this contract may be renewed for four (4) additional oneyear terms.
- Folger Graphics has indicated that they are interested in extending the contract one additional year to December 31, 2005 with a price increase as provided in the contract. Price increases are limited to the annual percentage change in the Consumer Price Index for the San Francisco Oakland San Jose area.
- It is requested that the Board of Directors authorize the General Manager to execute an amendment to the contract to extend the contract term for one additional year and increase the rate of compensation.

#### III. DISCUSSION

*Headways* is the District's bus schedule published to provide the community information with current service routes and timetables. The District's current contract with Folger Graphics for the printing of *Headways* is due to expire on December 31, 2004. Folger Graphics has provided good service under this contract. An extension of the contract would be favorable to the District. Section 3.02 of the contract allows the District the option to renew the contract for four (4) additional one-year terms. Folger Graphics has also reviewed the contract and has indicated their desire to extend the contract for one additional year with a rate increase limited to the annual percentage change in the Consumer Price Index for the San Francisco – Oakland – San Jose area as provided in the original contract.

Board of Directors Board Meeting of October 22, 2004 Page 2

District staff is recommending that the Board of Directors authorize the General Manager to execute an amendment to the contract to extend the contract term for one additional year and allow an increase the rate of compensation.

#### IV. FINANCIAL CONSIDERATIONS

Annual costs for two production runs of *Headways* will cost approximately \$30,000. These costs are included as part of the Customer Service budget.

#### SANTA CRUZ METROPOLITAN TRANSIT DISTRICT SECOND AMENDMENT TO CONTRACT NO. 02-12 FOR PRINTING OF HEADWAYS

This Second Amendment to Contract No. 02-12 for Printing of Headways is made effective January 1, 2005 between the Santa Cruz Metropolitan Transit District, a political subdivision of the State of California ("District") and Folger Graphics ("Contractor").

#### I. RECITALS

- 1.1 District and Contractor entered into a Contract for Printing of Headways ("Contract") on January 1, 2003.
- 1.2 The Contract allows for the extension upon mutual written consent.

1.3 Contractor has requested an increase in the rate of compensation as allowed in the contract.

Therefore, District and Contractor amend the Contract as follows:

#### II. TERM

2.1 Article 3.02 is amended to include the following language:

This Contract shall continue through December 31, 2005. This Contract may be mutually extended by agreement of both parties.

- III. III. COMPENSATION
- 3.1 Article 5.01 is amended to include the following language:

Effective January 1, 2005, the rate of compensation shall be increased 1.8 %, which is the annual percentage change in the Consumers Price Index for the San Francisco – Oakland – San Jose area.

- IV. REMAINING TERMS AND CONDITIONS
- 4.1 All other provisions of the Contract that are not affected by this amendment shall remain unchanged and in full force and effect.
- V. AUTHORITY

Each party has full power to enter into and perform this Second Amendment to the Contract and the person signing this Second Amendment on behalf of each has been properly

authorized and empowered to enter into it. Each party further acknowledges that it has read this Second Amendment to the Contract, understands it, and agrees to be bound by it.

### SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

- **DATE:** October 22, 2004
- **TO:** Board of Directors
- **FROM:** Tom Stickel, Manager of Fleet Maintenance
- SUBJECT: CONSIDERATION OF CONTRACT RENEWAL WITH DRIVER ALLIANT INSURANCE SERVICES, INC. FOR INSURANCE BROKER SERVICES

#### I. RECOMMENDED ACTION

District staff is recommending that the Board of Directors authorize the General Manager to execute an amendment to the contract with Driver Alliant Insurance Services, Inc. to extend the term of the contract through June 30, 2005.

#### II. SUMMARY OF ISSUES

- The District has a contract with Driver Alliant Insurance Services, Inc. for Licensed Broker Services for Excess Workers' Compensation Coverage.
- At the option of the District, this contract may be renewed for four (4) additional oneyear terms.
- Driver Alliant Insurance Services, Inc. has indicated that they are interested in extending the contract.
- District requested a contract extension to coincide with the CSAC Workers Compensation Insurance contract.
- It is recommended that the Board of Directors authorize the General Manager to execute an amendment to the contract with Driver Alliant Insurance Services, Inc. to extend the contract through June 30, 2005.

#### III. DISCUSSION

The District's current contract with Driver Alliant Insurance Services, Inc. (Contractor) for Licensed Broker Services for Excess Workers' Compensation Coverage is due to expire on October 23, 2004. Driver Alliant Insurance Services, Inc. has provided good service under this contract. An extension of the contract would be favorable to the District. Section 4.01 of the contract allows the District the option to renew the contract for four (4) additional one-year terms. Contractor has also reviewed the contract and has indicated their desire to extend the contract. District has requested that the contract effective period coincide with the CSAC Workers Compensation Insurance contract. Contractor has agreed to change the effective period of the contract to extend the contract through June 30, 2005 and will pro-rate their \$10,000 fee for this new effective period.

Board of Directors Board Meeting of October 22, 2004 Page 2

It is recommended that the Board of Directors authorize the General Manager to execute an amendment to the contract with Driver Alliant Insurance Services, Inc. to extend the contract through June 30, 2005.

#### IV. FINANCIAL CONSIDERATIONS

The pro-rated fee through June 30, 2005 is \$6, 820. Adequate funds are available in the current year budget for this amendment.

Mr. Lloyd Longnecker Santa Cruz Metropolitan Transit District 120 DuBois Street Santa Cruz, CA 95060

#### RE: Renewal of Contract No. 03-02 for Licensed Broker Services for Excess Workers' Compensation Coverage

Dear Lloyd,

We received your letter stating that the District proposes a first amendment to this contract to extend the agreement from October 24, 2004 through June 30, 2005. We are in agreement with this contract extension. Since the annual broker services fee is \$10,000, the pro-rated fee for the extension would be \$6,820.

Thank you for this extension which will put the contract in alignment with the CSAC agreement. Please contact our office if you have any questions.

Sincerely,

Matthew T. Dowan

Matthew T. Gowan Assistant Vice President

#### SANTA CRUZ METROPOLITAN TRANSIT DISTRICT FIRST AMENDMENT TO CONTRACT FOR LICENSED BROKER SERVICES FOR EXCESS WORKERS' COMPENSATION COVERAGE (03-02)

This First Amendment to the Contract for Licensed Broker Services for Excess Workers' Compensation Coverage is made effective October 24, 2004, between the Santa Cruz Metropolitan Transit District, a political subdivision of the State of California ("District") and Driver Alliant Insurance Services, Inc. ("Contractor").

#### I. RECITALS

- 1.1 District and Contractor entered into a Contract for Licensed Broker Services for Excess Workers' Compensation Coverage ("Contract") on October 24, 2003.
- 1.2 The Contract allows for the extension upon mutual written consent.

Therefore, District and Contractor amend the Contract as follows:

- II. TERM
- 2.1 Article 4.01 is amended to include the following language:

This Contract shall continue through June 30, 2005. This Contract may be mutually extended by agreement of both parties.

- III. COMPENSATION
- 3.1 Article 5.01 is amended to include the following language:

For the effective period of October 24, 2004 through June 30, 2005, District shall compensate Contractor \$6,820.

- IV. REMAINING TERMS AND CONDITIONS
- 4.1 All other provisions of the Contract that are not affected by this amendment shall remain unchanged and in full force and effect.
- V. AUTHORITY
- 5.1 Each party has full power to enter into and perform this First Amendment to the Contract and the person signing this First Amendment on behalf of each has been properly authorized and empowered to enter into it. Each party further acknowledges that it has read this First Amendment to the Contract, understands it, and agrees to be bound by it.

## SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

### STAFF REPORT

**DATE:** October 22, 2004

TO: Board of Directors

FROM: Margaret Gallagher, District Counsel

### SUBJECT: CONSIDERATION OF 2005 REGULAR BOARD MEETING SCHEDULE

#### I. RECOMMENDED ACTION

## Adopt the attached schedule for the regular meetings of the Board of Directors.

#### II. SUMMARY OF ISSUES

- The Santa Cruz Metropolitan Transit District Bylaws set forth the Board of Directors' meeting schedule in a general way stating that the regular meetings shall be on the second and fourth Fridays of the month.
- Attached is a specific schedule of the dates and locations of the Board of Directors' regular meetings for the year 2005.

#### III. DISCUSSION

The Santa Cruz Metropolitan Transit District Byslaws set forth the Board of Directors' meeting schedule in a general way stating that the regular meetings that shall be on the second and fourth Fridays of the month. For planning and scheduling purposes, Cindi Thomas, the Administrative Services Coordinator, has prepared a specific schedule detailing the actual dates and locations of the Board of Directors' regular meetings for the year 2005.

The meetings scheduled for the second Friday of the month will be located in the Santa Cruz Metropolitan Transit District's administrative offices and the meetings scheduled for the fourth Friday of the month will usually be held at the Santa Cruz City Council Chambers. However the meeting scheduled for the fourth Friday in May, will take place in Capitola and the meeting scheduled for the fourth Friday in November, will take place in Watsonville.

It should also be noted that the Board's Bylaws state that if a regular meeting falls within 5 working days of a recognized District holiday, i.e. Thanksgiving, Christmas or New Year's Day, the Board of Directors shall reschedule the meeting to a more convenient date. For the year 2005, Thanksgiving and Christmas fall within one day of the fourth Friday of the months of November and December respectively. Therefore, it is being recommended that the second regular Board meeting for these months be scheduled on the third Friday of each month rather than the fourth.

## SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

- **DATE:** October 22, 2004
- TO: Board of Directors
- FROM: Leslie R. White, General Manager

#### SUBJECT: CONSIDERATION OF REPORT REGARDING THE PASSENGERS AND OPERATING COST FOR THE CITY OF SANTA CRUZ BEACH SHUTTLE FOR 2004

#### I. RECOMMENDED ACTION

## That the Board of Directors review and accept the report of the passenger usage and operating cost for the 2004 City of Santa Cruz Beach Shuttle.

#### II. SUMMARY OF ISSUES

- The City of Santa Cruz contracted with METRO to provide the Beach Shuttle service for the summer of 2004.
- The financial constraints in the budgets at both METRO and the City of Santa Cruz had forced the cessation of Beach Shuttle service after 2001.
- In 2004 the City of Santa Cruz contracted with METRO to reinstate the Beach Shuttle service for 32-weekend operating days during the summer season.
- The 2004 Beach Shuttle service was the first time that this service was deployed using the Trolley Replica vehicle. While the CNG powered Trolley Replica experienced some operational problems, it was in service 24 of the 32 operating days.
- The City of Santa Cruz implemented an extensive signage program designed to expand the visibility and use of the service.
- The 2004 Santa Cruz Beach Shuttle served 16,294 passenger boardings, which is a decrease in use of 26% when compared to the 2001 ridership level.
- The cost of the Santa Cruz Beach Shuttle service was \$30,144.

#### III. DISCUSSION

The Santa Cruz Beach Shuttle service has been operated as a connection between Downtown Santa Cruz and the Beach Boardwalk for many years. Unfortunately past constrained financial situations at either the City of Santa Cruz or METRO or both have resulted in the cessation of service on various occasions. The most recent period of time when the Shuttle did not operate was during the summers of 2002 and 2003.

Board of Directors Board Meeting of October 22, 2004 Page 2

In 2004 the City of Santa Cruz contracted with METRO to reinstate the Beach Shuttle service. The 2004 Beach Shuttle service was the first time the Trolley Replica vehicle that was partially funded by the City of Santa Cruz was used on this route. Unfortunately the CNG powered Trolley Replica vehicle experienced some operational problems that caused it to miss service. The Trolley Replica vehicle operated on 24 of the 32 weekend operating days that the Beach Shuttle was in service.

The episodic operation of the Beach Shuttle has resulted in limited use of the service by individuals visiting Santa Cruz. The City of Santa Cruz implemented an extensive signage program designed to capture additional riders. The usage of the Beach Shuttle service for 2004 was 16,294 passenger boardings, which is a decrease of 26% from the ridership level of 2001. The cost of operating the Beach Shuttle for 2004 was \$30,144.

Staff recommends that METRO meet with the City of Santa Cruz staff to explore ways that both the visibility and use of the Beach Shuttle service can be increased, including a higher level of involvement by private businesses.

#### IV. FINANCIAL CONSIDERATIONS

The operating cost of \$30,144 for the Santa Cruz Beach Shuttle was paid by the City of Santa Cruz.

# SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

**DATE:** October 8, 2004

TO: Board of Directors

FROM: Robyn D. Slater, Human Resources Manager

# SUBJECT: CONSIDERATION OF APPROVAL OF PARATRANSIT CLASS SPECIFICATION (JOB DESCRIPTION) FOR PARATRANSIT CLERK III

#### I. RECOMMENDED ACTION

# It is recommended that the Board of Directors approve the attached class specification (job description) for the Paratransit Clerk III.

#### II. SUMMARY OF ISSUES

- In June the Board approved the transition of the Paratransit operations from Community Bridges to an internal operation.
- In July the Board approved the contract with UTU for represented Paratransit positions.
- To meet the required deadlines District met with the Union and developed job descriptions so recruitment of internal and external candidates could begin.

## III. DISCUSSION

In July, the Board and UTU approved a contract allowing the District to begin the transition of Paratransit operations to an internal function of the District. Management and representatives of UTU met and reviewed job descriptions for positions new to METRO.

So deadlines could be met for the transition of Paratransit services, recruitment for the Paratranist Clerk III position has already been initiated. Community Bridges employees were provided with information regarding this position so they would have the opportunity to apply.

Staff is requesting your approval of this new class specification so we may complete the recruitment process.

# IV. FINANCIAL CONSIDERATIONS

The salary range for this position was approved in negotiations with UTU and the cost of staffing has already been included in the Paratransit budget.

Processes purchase orders and requisitions; prepares invoices for payment; verifies receipt, documentation, calculations, and proper billing amount; allocates to proper general ledger accounts; contacts vendors to resolve problems; maintains vendor lists.

Answers telephone and assists the public by referring them to the appropriate personnel, answering inquires on administrative matters and giving out standard forms.

Types reports, date from rough drafts and other documents as assigned. Corrects grammar, punctuation, spelling and proofreads copy.

Develops, maintains and updates general administrative files.

Operates office equipment, such as computer, ten key adding machine, typewriter, photocopy machine, postage meter.

Distributes and retrieves materials as needed.

Prepares and distributes inter-office mail.

Handles confidential materials, records, files and other privileged information.

Drive District vehicles pickup or deliver materials, correspondence or documents.

Arranges for meetings and performs details related to meeting preparation.

Performs office duties as directed.

Responsible for coordinating maintenance of office equipment and maintaining necessary records.

Maintain Department petty cash fund.

Inventory and requisition office supplies.

## **MINIMUM QUALIFICATIONS:**

Ability to interact with clients and staff in a professional manner

Oral and written communication skills sufficient to complete paperwork and effectively communicate with the majority of clients.

Working knowledge of standard office software (i.e. Microsoft Office) systems.

Office procedures and practices including correspondence, composition, reports and filing.

Correct spelling, grammar and punctuation.

Maintain confidentiality accuracy of materials, records, files and other privileged information. Perform a variety of difficult clerical work under pressure.

Work independently.

Coordinate workload of several projects concurrently.

Use standard office equipment (e.g. copiers, fax, postage meter, 10 key by touch).

Training and Experience

Any combination of training and experience equivalent to:

Two years full-time clerical experience including typing, filing, public reception and general office work. Secretarial business education may be substituted for up to six months of the required work experience. Possession of a valid Class C driver's license or ability to obtain one.

## PHYSICAL REQUIREMENTS:

While performing the duties of this job the employee is frequently required to sit, talk or hear, both in person and by telephone, use hands to finger, handle or feel objects or controls, reach with hands and arms. The employee is regularly required to stand, walk bend and twist and bend at the neck. Occasional lifting and overhead reaching is required. Visual abilities required include close vision, distance vision, and the ability to adjust focus.

# SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

- **DATE:** October 8, 2004
- TO: Board of Directors
- **FROM:** Elisabeth Ross, Manager of Finance

# SUBJECT: CONSIDERATION OF AUTHORIZATION FOR DISPOSAL OF FOUR (4) CHAMPION BUSES AND ASSOCIATED PARTS INVENTORY

## I. RECOMMENDED ACTION

# Staff recommends that the Board of Directors declare four Champion buses and associated parts inventory as excess and authorize disposal.

## II. SUMMARY OF ISSUES

- In accordance with the District's policy on disposal of fixed assets and inventoriable items, at least once per year the Finance Manager shall recommend to the Board of Directors a list of items to be declared excess with appropriate action for disposal.
- The four Champion buses listed on Attachment A were purchased new in 1992. With the arrival of newly manufactured replacement buses, the Champion buses are now excess and can be sold.

#### III. DISCUSSION

The estimated current market value of the vehicles recommended for disposal is \$500 each. Upon the Board's declaration of the vehicles as excess, they will be offered for sale by the District's Purchasing Office along with the associated parts inventory.

## IV. FINANCIAL CONSIDERATIONS

The Champion buses are fully depreciated and have a remaining book value of zero. The parts inventory has no book value. Any revenue generated from the sale will be recorded as income.

# SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

# STAFF REPORT

**DATE:** October 22, 2004

TO: Board of Directors

FROM: Margaret Gallagher, District Counsel

#### SUBJECT: CONSIDERATION OF OWNED AND LEASED PROPERTY INVENTORIES TO DETERMINE IF THERE IS ANY PROPERTY IN EXCESS OF SANTA CRUZ METROPOLITAN TRANSIT DISTRICT'S FORESEEABLE NEEDS

## I. RECOMMENDED ACTION

Accept and File Santa Cruz METRO's Property Inventories of Leased and Owned Property for 2004 which includes a Determination of Properties that are in Excess of METRO's Foreseeable Needs

## II. SUMMARY OF ISSUES

- Santa Cruz Metropolitan Transit District is required on an annual basis to prepare inventories of properties it holds, owns and controls to determine if any properties are in excess of its foreseeable needs.
- The only property that Santa Cruz METRO owns that is not in transit use is the Watsonville Maintenance and Operations Facility (MOF) at 25 Sakata Lane in Watsonville. This property is scheduled for sale.
- All properties leased by Santa Cruz METRO are currently being used in transit operation for bus maintenance, bus parking, administration and facilities maintenance activities except for the Plantronics lot, which has been assigned to A Tool Shed, Inc.

## III. DISCUSSION

Government Code Section 50569 requires that on or before December 31<sup>st</sup> of each year, Santa Cruz METRO, a local agency, make an inventory of all lands held, owned or controlled by it or any of its departments, agencies or authorities to determine what land, including air rights, if any, is in excess of its foreseeable needs. According to the statute, a description of each parcel found to be in excess of its needs should be made a matter of public record.

An inventory of all the properties owned by Santa Cruz Metro is set forth in Attachment A. This inventory shows that the Watsonville Maintenance and Operations Facility located at 25 Sakata Lane in Watsonville, California is currently not in transit use. This property has been declared surplus by the Board of Directors. This property is scheduled to be sold with the proceeds being used for the MetroBase Project. Currently, the property is leased to a truck-driving institute who

teaches individuals how to drive large trucks. Santa Cruz METRO is awaiting concurrence from the Federal Transit Administration on the minimum sale price requirement for the property, as federal grant monies were used to purchase and develop the site. Once the information is received, this property will be sold.

An inventory of properties that Santa Cruz METRO leases from others is set forth in Attachment B. All of the leased property is currently being used for transit operation and support except the Plantronics lot that was assigned to A Tool Shed, Inc. to facilitate the MetroBase Project. METRO remains an obligor on that lease to ensure compliance with the lease terms.

Additionally, Santa Cruz METRO authorized the 40-year ground lease with the City of Santa Cruz in which vacant property owned by the city would be utilized by METRO for its MetroBase Project. Santa Cruz METRO is also currently engaged in negotiations for a lease with the Iuliano 1977 Trust with regard to a vacant lot on Dubois, in Santa Cruz in which buses would be parked.

Any citizen, limited dividend corporation, housing corporation or nonprofit corporation, shall upon request, be provided with a list of the parcels without charge.

# SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

**DATE:** October 8, 2004

TO: Board of Directors

FROM: Mark Dorfman, Assistant General Manager

# SUBJECT: CONSIDERATION OF SERVICE MODIFICATIONS FOR WINTER 2004

## I. RECOMMENDED ACTION

# Staff recommends Board consideration for approval of proposed service reductions and modifications for December 2004

## II. SUMMARY OF ISSUES

- In September, METRO implemented service reductions totaling \$700,000 as a piece of reducing a projected \$2.3 million operating deficit.
- Public Comment has continued to be received and processed by staff
- A list of modifications has been identified to:
  - Reinstate prior origin-destination patterns
  - Streamline route departures and running times
  - Resolve school timing issues
  - Enable route consistency
  - Add service back due to excess running times

## III. DISCUSSION

As part of the expense reductions necessary to balance the 2004-2006 budget, METRO implemented service reductions totaling \$700,000 this year. Since approval of the plan by the Board, staff has continued to monitor the impact of the changes. Additionally, staff has received comments from the public identifying needs and suggesting alternatives to the service. Due to the contractual requirement to notify UTU 46 Days in advance of the service change, it is necessary to approve these changes on October 8, 2004.

# **Route 3B Mission/Natural Bridges**

The elimination of Route 3A left many seniors on the Westside of Santa Cruz without the direct service to the Almar shopping center that they've enjoyed for years. The Service Planning

Board of Directors Board Meeting of October 8, 2004 Page 2

Committee looked at this issue and decided not to recommend it. However, due to the frequency of University service on Laurel Street, and the need for service as stated in public comments, staff proposes to move Route 3B from Laurel Street to Bay Street to re-establish service to the Almar Shopping Center from Garfield Park Village. There is no cost to this proposal.

## Route 16 University via Laurel East

When the Route 19 was extended to 11:30 PM during the school term, the Route 16 night departures should have been moved to allow for a better span of service. Staff proposes that the Route 16 departures be moved from 10:00 PM, 10:30 PM, 11:00 PM and 11:30 PM to 10:15 PM and 10:45 PM, 11:15 PM and 11:45 PM. The Service Planning Committee elected not to recommend this proposal, but staff recommends implementing this schedule change due to the fact that it will improve service to the University. There is no cost to this proposal.

# Route 35 Boulder Creek (School-Term Only)

Due to changes in the bell times at San Lorenzo Valley High School, METRO's school term service was modified. In the afternoon due to the proximity of the High School bell time and the Junior High School bell time, one trip in the afternoon was lost. In reviewing the school-term schedule in conjunction with the regular schedule, staff has determined that the students would be better served by switching the destinations of the 2:40 PM trip and the 2:51 PM trip (see Attachment A). There is no cost to this proposal.

## Route 54 La Selva

Over the last three years this route has been reduced in favor of the Route 55 and limited trips of the Route 56. There is currently one weekday trip still remaining. In June we began operation of a modified weekend Route 54 that serves both Via Pacifica and the Rosedale-Hill area in Capitola. Staff proposes to modify this single weekday trip so as to be consistent with the weekend trips of this route. Estimated cost is approximately \$1,000.

## Route 55 Rio Del Mar

This route currently is dwelling at certain timepoints on various trips. Staff propose streamlining the timepoints to enable better streamlined service (See Attachment B). There is no cost to this proposal.

Board of Directors Board Meeting of October 8, 2004 Page 3

## Route 68 Live Oak via Broadway/Portola

METRO has received a number of comments regarding the loss of service on the 26<sup>th</sup> Avenue-East Cliff-30<sup>th</sup> Avenue loop. Staff has been able to do one pass for a time study on this route and has determined that there is enough time to do the loop and still keep the route on time (see Attachment C). There is no cost to this proposal.

### **Route 69 Capitola Road**

The 6:05 AM inbound departure from Capitola Mall was moved to 6:15 AM to enable a better span of service from the Capitola Mall to Santa Cruz. However, with the improvement of the Highway 17 service going to METRO Center, a new transfer had been created for passengers coming from the Capitola area to the Highway 17 bus. Staff proposed to move this departure back to 6:05 AM. Estimated cost is approximately \$2,000.

#### **Public Information**

Should the Board approve these service changes, a decision will need to be made as to how the public is notified. One option would be a Headways reprint at an estimated cost of \$10,000. A lower cost option would be to repost the bus stop signs, do inserts for Headways, and to put flyers on the buses and at Transit Centers.

## IV. FINANCIAL CONSIDERATIONS

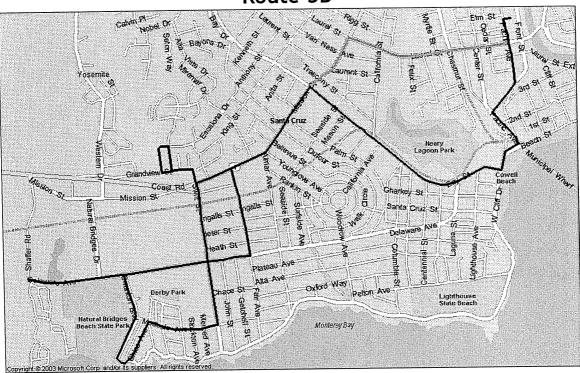

Estimated costs of service improvements are \$3,000. The public information element would cost a maximum of \$10,000 for a Headways reprint.

# SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

**DATE:** October 22, 2004

TO: Board of Directors

FROM: Robyn Slater, Human Resources Manager

SUBJECT: PRESENTATION OF EMPLOYEE LONGEVITY AWARDS

# I. RECOMMENDED ACTION

# Staff recommends that the Board of Directors recognize the anniversaries of those District employees named on the attached list and that the Chairperson present them with awards.

#### II. SUMMARY OF ISSUES

• None.

#### III. DISCUSSION

Many employees have provided dedicated and valuable years to the Santa Cruz Metropolitan Transit District. In order to recognize these employees, anniversary awards are presented at fiveyear increments beginning with the tenth year. In an effort to accommodate those employees that are to be recognized, they will be invited to attend the Board meetings to receive their awards.

# Paratransit Coordination Task Force Minutes - Meeting #4

Wednesday, September 15, 2004, 2:00 – 5:00 pm Santa Cruz Civic Auditorium, ABC Room

#### Members Present:

Caroline Bliss-Isberg Scott Bugental Richard Camperud Norm Hagen Clay Kempf Steve Kudlak Paul Marcelin-Sampson Roger McKowan Dennis Papadopulo Emily Reilly Pat Spence Ellen Timberlake Adam Tomazewski Mardi Wormhoudt (Chair) Stuart Rosenstein <u>Staff Present</u>: Bryant Baehr, SCMTD Mark Dorfman, SCMTD Isaac Holly, SCMTD Hal

Peg Gallagher, SCMTD Les White, SCMTD Pat Dellin, SCCRTC Karena Pushnik, SCCRTC Tegan Speiser, SCCRTC Link Spooner, Community Bridges Sam Storey, Community Bridges

<u>Others/Guests Present</u>: Bob Yount Ron Dean

<u>Alternates Present (\* = voting</u>):

Kirk Ance \* James Monroe Bonnie Morr\* MaryJo Walker\*

#### 1. Introductions

Attendees introduced themselves. By a show of hands, it was confirmed that a quorum was present.

#### 2. Oral Communications

Emily Reilly spoke at the last meeting about wanting the Task Force to build trust and keep moving forward. She reiterated that she wants to earn the trust of this group and, as the Metro Board representative, intends to do what she can to be responsive and put people at ease about things that concern them.

Clay Kemp appreciated Emily's comments, but noted that the concerns and frustrations that lead to people calling for the formation of this task force happened long before Metro decided to move paratransit in-house. He said that the goal for the task force is to improve paratransit for the community at large.

Karena Pushnik said that large print versions of materials for agenda item 5b are available and requested a count of the number of people who prefer large print materials (2-3 large print copies are needed.)

Ms. Pushnik also referred to the Existing Paratransit Services matrix distributed previously to the Task Force. Grace Blakeslee, of the RTC staff, will help update the table with new data for fiscal year 2003-04.

#### 3. Additions or Deletions to the Agenda

Paul Marcelin-Sampson requested that Items 5b2 and 5b3 be handled as part of the legal mandates discussion, not part of the presentation on demographics. The Chair agreed to move these items under agenda Item 6. This material is not part of Metro's presentation, but deals with MediCal and paratransit mandates.

#### **CONSENT AGENDA**

# The Consent Agenda was approved as amended (Timberlake/Bugental, motion carried with 2 no votes)

- 4. Approve the Minutes of the August 18, 2004 Paratransit Coordination Task Force including list of suggestions for the transition of ADA Paratransit service with the following amendments to page 4-7:
  - Add the word "guaranteed" to the first bullet about rides home.
  - Add a bullet to use Public Service Announcements (PSAs) on radio and TV as another form of outreach to inform people about changes in paratransit services.

## 5. Accept Information Items

# a. Resignation from Norm Hagen, Jr. as the Metro Advisory Committee representative

By consensus, a letter of appreciation will be signed by the Chair recognizing Norm Hagen for his service to the Paratransit Coordination Task Force

# b. Demographics and Definitions items submitted by Pat Spence and Paul

Marcelin-Sampson – Item was pulled from the consent agenda and moved to the end of the regular agenda as Item 8.1 as requested by Pat Spence. If there is not time to address this item at this meeting, the item will be carried over to the next meeting.

- i. Paratransit Demographics
- ii. Metro Exceeds Legal Requirements (moved to Item 6)
- iii. MedCAP Issue Brief (moved to Item 6)
- iv. 9/15/04 Memo on Definitions and Demographic Information

## REGULAR AGENDA

# 6. Mandates and Program Requirements (Continued from August 18 Meeting)

a. Santa Cruz Metropolitan Transit District (Metro) Presentation by Peg Gallagher, District Counsel for Metro "Legal Requirements for Metro ParaCruz" The following includes text from the slides and charts used by Ms. Gallagher in her presentation (in bold type) and a summary of the discussion on each slide.

Ms. Gallagher said that most of the time, lawyers won't comment on how they feel about a law. However, she has found that the ADA is a law that brings out the best in people, makes them step out of themselves and perceive things from another person's perspective. Ms. Gallagher asked for questions during the presentation since a wide range of topics will be addressed.

#### Slide 1 Legal Requirements for Metro ParaCruz

The American's with Disabilities Act of 1990 (ADA) is a comprehensive framework and approach to end discrimination against persons with disabilities. ADA Goals: equality of opportunity, a chance to fully participate in society, for people to live independently and for individuals to be economically self-sufficient.

The ADA also covers employment, public entities, public accommodations and telecommunications. Legislators believed that accessible transportation would make all the other aspects of the ADA possible such as working, living independently, shopping and doing the things other people are able to do.

## Slide 2

#### ADA Title II

A public entity fixed route operator must provide complementary, comparable paratransit service to individuals who because of their disabilities cannot use the fixed route service unless it would be an undue hardship. 42 USCA § 12143 (a)

This is civil rights legislation and is in the nature of an entitlement. Fixed route transit operators are required to provide people with disabilities who meet the eligibility requirements with this service.

An undue hardship waiver is a petition to the federal government for relief, usually due to finances. Metro has never applied for an undue hardship waiver. A number of transit districts throughout the country have requested relief, but none have been granted.

#### Slide 3

#### Fixed Route Operator

METRO is a Fixed Route Operator who's fully accessible bus fleet carries approximately 6 million rides annually, 700,000 rides are provided to people with disabilities or seniors. 49 CFR § 37.121

Legislators envisioned most people using fixed route service and that paratransit would be the exception rather than the rule.

Paratransit is about 103,000 rides out of 6 million rides annually on Metro. Metro pays for paratransit from its general transportation fund (fares, sales tax and federal funds.) As civil rights legislation, the ADA provides no funding for implementation. About 10% of the Metro's budget goes to paratransit. Slide 4

**Complementary Service** 

Paratransit Service is not a substitute, but a <u>complement</u> or "safety net" for those who are unable to use the fixed route system because of their disabilities. 49 CFR § 37.121

#### Slide 5

"Comparable" Service

Paratransit Service must meet the minimum criteria set forth in the federal regulations to be "comparable". 49 CFR § 37.121

#### Slide 6

Can Provide More and/or Greater Service Nothing in Federal Law prevents METRO from providing more or greater paratransit service or service to more individuals than the ADA requires. 42 USCA § 12143(f)(1)-(3)

If you go beyond what's required by the ADA, you cannot use this extra service as an excuse or justification to receive an undue hardship waiver.

#### Slide 7

Eligibility Requirements All persons <u>unable to use</u> the fixed route service because of a disability and their companions are eligible for paratransit service. 42 USCA § 12143(c) 49 CFR § 37.123

#### Additional Chart Presented at Meeting ParaCruz Eligibility Criteria - 42 U.S.C. § 12143(c)

Eligibility requirements are divided into three general categories:

# Catetgory 1 - A person, who because of their disabilities (mental or physical impairment,) is unable to board, ride, disembark or navigate accessible vehicles independently.

This is the primary category. This would be if because of your disability you couldn't board a bus independently even though the bus is accessible. (They do not count the driver's assistance.) For example, if you have Alzheimer's and you were not able to cognitively board the bus and pay the money, then you would meet category 1.

#### Category 2 - An individual needs an accessible vehicle, and none is available.

All Metro buses are accessible with either lifts or ramps.

There are two other categories under category 2. If you're on a bus, but the stop where you are to be deployed is not accessible, then you would be eligible to use paratransit.

7.4

If a vehicle is accessible to other wheelchairs, but not to your "common wheelchair," which has a specific definition, then you could use paratransit.

# Category 3 – If as a result of your disabilities, you are prevented from traveling to a boarding or coming back to a disembark location.

Basically, if you can use fixed route service, you should. If you can't use it, then ParaCruz service is available.

Eligibility is determined solely on the applicant's own capacities as opposed to those of others with similar problems. It's a case by case individual functional approach to see if a person can use fixed route service.

#### Slide 8 Eligibility Process The eligibility process shall "strictly limit" ADA paratransit eligibility to individuals who qualify for the service. 49 CFR § 37.125

The government is trying to make sure that operators know the categories and their legal obligations. If operators want an undue hardship waiver, they can't let everyone onboard the paratransit system and expect a waiver.

Income isn't a factor on either end of the spectrum in terms of ADA paratransit. If you're poor or wealthy you can qualify, money has nothing to do with eligibility.

## Slide 9 ADA Paratransit Eligible

1) Place of residence not considered for ADA eligibility.

- Do not have to live in service area
- Do not have to live in community (visitor) 49 CFR § 37.123

A rider has to live within the jurisdiction where the provider provides the service. If a rider lives in Santa Cruz County, they would apply through Metro, the provider for paratransit service. You don't have to live in the service area to register.

Metro is also required to transport visitors on ParaCruz who show credentials from the paratransit program where they are registered or proof of disability and certify that they cannot use the fixed route bus. However, there's a limitation on how long a rider may use a visitor pass. After that point, a visitor must apply to Metro if they are living here or not use the service if they are from outside the jurisdiction. Credentials from an out of state program also qualify.

#### Slide 10

ADA Paratransit Eligible (continued)

2) Disability may be temporary (certification should carry a specific

expiration date) or permanent.

- 3) Disability may be intermittent.
- 4) Trip-by-trip determination. 49 CFR § 37.123

The law made room for practically every area where people would need this type of service. Temporary - Someone had surgery and may need paratransit for only 3 months. Intermittent – you may have good days and bad days with a disability. Tripby-trip - When certain criteria, established during the eligibility process come together, you could call up and use the service.

#### Slide 11

#### **ADA Eligibility Process Legal Requirements**

- 1) Eligibility information in accessible formats upon request;
- 2) Eligibility decision within twenty-one (21) days or paratransit service must be provided;
- 3) Written decision; if ineligible, reasons provided;
- 4) If ineligible, Administrative Appeal Process Provided;
- 5) Documentation of eligibility provided; and
- 6) May re-certify eligibility at reasonable intervals. 49 CFR § 37.123,125,127

The process cannot be unreasonable in terms of administrative burdens. People can't be forced to go through such a strenuous process that they give up because it's so difficult.

Metro's process is that people call up the eligibility coordinator (EC), they set up an interview during which the EC goes through the information with them under the eligibility categories and then a decision is made. Metro re-certifies every three years.

After 10 years of operating the program, Metro recently went through a process to recertify all paratransit participants. To conduct this project, they contracted with Orthopedic Hospital, a nationally recognized organization that works with transit districts on certifications. A registered occupational therapist from Orthopedic Hospital worked with Metro to conduct intake appointments and interviews. Over a period of 18 months, this individual also trained Metro's in-house ParaCruz Eligibility Coordinator to conduct certifications in the future. It was the intention of Metro to transfer these duties in-house once the backlog of certifications was complete. The recertification process was completed sooner than anticipated, and the timeframe to take the program in house was moved up and has already taken place. Orthopedic Hospital is still under contract with Metro to review all paratransit eligibility decisions made by Metro staff.

As part of this process, Metro purchased software from Orthopedic Hospital that provides interview questions to conduct the functional assessment as to a person's ability to use fixed route transit or to qualify for paratransit. Some Paratransit Coordination Task Force members raised concerns about the skills and qualifications for the position assigned to conduct paratransit eligibility certifications by Metro. Concerns included:

- Previous certifications done by licensed occupational therapist, now there is no medical training requirement for this position.
- If you move away from using a licensed professional, the public would be more confident if there were a specific job description and very clear written criteria upon which decisions are made to address issues of subjectivity and confidence in decision-making
- While several people spoke to the integrity of the individual currently in the position, future people holding this position may not be trained by a licensed professional and the quality of training and skills may erode over time
- The three people who serve on the appeals board are also not medically trained. As lay people, how will they be able to tell if someone has the finer points of being disabled?
- Discussing this item in the absence of the person currently filling the position (who also sits on the task force) made one person uncomfortable
- Other people felt is was appropriate to be talking about the qualifications required for the position, not of a specific person
- The desire to make sure the right decisions are being made and prevent lawsuits

Responses from Metro Staff included:

- Assessments are functional and related to using transportation rather than diagnosing conditions (i.e., can you read a Headways, can you handle coins, etc...)
- They primarily try to determine if people fit into category 1, 2 or 3. The federal regulations are the eligibility criteria.
- There is no legal requirement to have any kind of special certification to do the job of eligibility coordinator
- All decisions are still being reviewed by Orthopedic Hospital and this contract runs through December of 2005.
- If there is a rise in denials, then the program will be looked at carefully
- The number of people rejected is very low (less than 5%). Statistics are available for three different types: restricted, unrestricted and trip by trip (Metro can provide for next meeting.)

Paul Marcelin-Sampson cited re-certification statistics from a September Metro staff report: 2,277 re-certification interviews were conducted, 146 rejections, 51 appeals, 7 reversals. He calculated that percentage wise, 6.7% of those interviewed did not qualify for service. Of those that were denied, a third appealed and of those that appealed 13% had their decisions reversed. If you carry that all the way through you find that .3% of people wound up with a reversal of their decision, an indication of the success of that process.

Pat Spence cited that when Metro started their re-certification process there were 10,000 people on the rolls. Only 3,000 people have been re-certified.

The group agreed to place this issue on our "Pick Up List" for future discussion. It might be good to have a demonstration of the certification process and software.

# Slide 12 Eligibility Determinations

#### The decision of the Appeals Panel will not be disturbed on appeal if it is based on credible evidence, follows the Federal Regulations and is not arbitrary, capricious or unreasonable.

Sell vs. Superior Court of New Jersey, Appellate Division (1997) 298 N.J. Super. 640; 689 A. 2d 1386; 1997 N.J. Super LEXIS 123.

If a person is denied certification, they can appeal that denial to the Appeals Panel. If the Appeals Panel denied certification, the person would have to appeal that to federal court. The litigation would take place in federal court. This would be the standard that the court would use to make a determination as to whether or not they should be certified or not.

Metro recertifies every three years. The regulations don't want you to overburden people by doing it too frequently or going too long (every 1-3 years.)

## Additional Chart Presented at Meeting Additional Qualifying Riders for ADA – Not in categories

- Each eligible rider can bring a personal care attendant at no cost
- Each eligible rider can bring at least one person to accompany him or her on their rider, if space is available more than one person can ride. These people must pay for their ride.
- Qualifying visitors.

## Slide 13

**Types of Service** 

Origin-to-Destination Service; but on-call accessible bus service or Paratransit feeder service to/from accessible fixed routes under <u>certain circumstances</u>. 49 CFR § 37.129

## Slide 14

**General Rule for Paratransit Services** 

It is discrimination not to provide Paratransit service at a level that is:

- 1) Comparable to transit services provided to those without disabilities; and
- 2) In the case of response time, which is Comparable, to the extent

practicable, with the level of service provided to those without disabilities. 42 USCA  $\S$  12143(a)

Slide 15

Identical Service Not Required "...fixed route and paratransit service are different, therefore levels of service <u>must only be comparable – not identical.</u>" House Report No. 485, 101<sup>st</sup> Congress, 2<sup>nd</sup> Sess., pt 1 at 28

Slide 16

Minimum Service Criteria Required Paratransit Service must meet the requirements set forth in the Code of Federal Regulations. 49 CFR § 37.121(b)

#### Slide 17

Six Service Criteria for Determining Comparability

- 1) Service area;
- 2) Response Time;
- 3) Fares;
- 4) Any trip purpose;
- 5) Days and hours of service;
- 6) No capacity constraints. 49 CFR § 37.131

If you meet all six of these you have complied and are not discriminating.

Slide 18 Service Area Fixed Bus Route Paratransit Service Area Within 3/4 of a mile on each side of each fixed route 49 CFR § 37.121(a)

The 3/4 mile minimum is established by federal government and is in the regulation. Non-core service area set at no less than 3/4 mile or through a planning process you can go up to 1 1/2 miles. If you go through a planning process, you can include this "increase" in undue hardship claim.

Slide 19 Paratransit Corridors Including Core Service Area Paratransit Service Area Jurisdictional Fixed Bus Route Limit Line

In metropolitan areas, where routes overlap, there may be small areas that are outside the <sup>3</sup>/<sub>4</sub> mile corridors. But the federal regulations require the service provider to provide service to these areas anyway.

Some Task Force members requested more information on this topic since the subject of service area limitations has come up in many previous meetings. Concerns include:

- To understand if it makes sense to expand the service area, we would need to know what would happen if it went from 3/4 mile to 1 mile or 1 ½ miles
- How many people are not getting service because they're at 1 mile vs. 3/4?
- What is the cost benefit analysis of how those other riders are being moved around?
- What is the unmet demand and the cost ratios?
- A cost/benefit analysis would be great. Would like to look at it in bigger picture of Metro service.
- There's no fixed route service to the Harvey West area after about 5pm on weekdays, no weekend service, and no alternative bus routes within the 3/4 mile area. On what days and at what times is Metro required to provide service to provide comparability? (Metro now provides ParaCruz 7 days a week, until 10-10:30 at night.)
- Metro provides 6 million fixed route rides, 700,000 rides to seniors and people with disabilities and 100,000 paratransit rides. So we have this 98% vs. 2% situation. Could a fixed route rider file a discrimination claim if he lives in a part of the county where there is no fixed route service, but Metro is serving people with paratransit. Is that discrimination?
- If a low income person or a senior who uses the fixed route system can't get a ride because there's no fixed route service in a particular area, but someone else using paratransit could get a ride to that location, is that discrimination?

**Responses:** 

- Up until about 2 years ago, the transit district served up to 1 1/2 miles along several rural corridors. When that service area was reduced, there was an analysis of people who would be affected.
- Legally the service area can be a different distances on some corridors (it can be inconsistent.)
- A mile and a half is acceptable to the federal government. If you go two miles, you're going beyond what's required and an undue hardship waiver could not take into consideration the extra amount you are doing to relieve you of your obligations.
- Generally, you have to be in a protected class to claim discrimination
- You couldn't provide a cause of action particularly when the regulations say an operator can provide greater and better paratransit service. Government agencies go through a process of deciding where to run a fixed route. As long as those decisions are made reasonably and not discriminating against any one specifically i.e. running only to white neighborhoods instead of Hispanic or black neighborhoods you can expand the paratransit service beyond these standards.

Slide 20

**Response Time** 

METRO has an affirmative obligation to design, fund, and implement a <u>next-day service</u> to meet the foreseeable needs of all ADA eligible individuals. 49 CFR § 37.131(b)

This is one of the biggest areas in paratransit litigation right now. Next day service is the rule and requirement. A rider can call at 4:55pm and say they want a ride at 6am the next morning.

#### Slide 21

**Response Time** 

- 1) Must plan to meet 100 percent of the demand for next-day service;
- 2) Some leeway for occasional failures in unanticipated circumstances to meet actual demand;
- 3) But if a pattern of noncompliance develops, METRO must modify its plan.

Anderson v. Rochester-Genesee Regional Transportation Authority, 26 NDLR 134 (2d Cir. 20 (B)

#### Slide 22

**Response Time** 

No magic number of trip denials constitutes a "substantial number." Analysis requires "case-by-case" analysis and consideration of whether capacity constraints are within the "control" of transit agency.

Dept. of Transportation Response to Federal Appeals Court in the Rochester New York case-October 25, 2002

Courts look at each transit agency individually. If the transit district controls the capacity constraints for whatever's happening, they'll be tagged with a violation. If you don't have enough reservationists to take all the phone calls, the waiting times on the phone calls are too long, someone waits 10 minutes before they get to talk to somebody that's problematic because people get tired and put the phone down and that's a denial because they don't get their ride. If somebody calls in and says "I want to go at 8am and be picked up at 4pm," and you say you can't provide the 8am ride because you don't have any vehicles, you can be tagged with 2 denials, the ride going and coming back. That's the big controversy and its' not clear how it's going to play out. FTA is very strict on these rules.

#### Slide 23

Paratransit Response Time

- 1) METRO may permit reservations to be made up to 14 days in advance of trip. 49 CFR § 37.131(b)(4)
- 2) Reservation services available during normal business hours of the METRO admin offices as well as before any service day.
   49 CFR § 37.131(b)(1)

Metro is required to provide next day service. Although Metro is allowed to make reservations up to 14 days in advance, it is not required to take reservations. Ms. Gallagher is not aware of Metro's policy ever being 30 days and it was probably not permissable.

Normal business hours means during the week. Metro's administrative offices are open 8-5, Monday through Friday. That's when you have to make reservations available, as well as before any service day. Any service day is any day the buses run.

Reservations are taken 8-5, 7 days a week. You could not schedule a next day ride at 9pm since it's after business hours. On holidays, there's an automated number that people can call and Metro will call people back to confirm the reservation request.

#### Slide 24

**Response Time (continued)** 

- 3) May negotiate pick-up times; cannot schedule a trip more than one hour before or after the individual's desired departure time. 49 CFR § 37.131(b)(2)
- 4) "Real time" scheduling used in the taxi industry is encouraged, but not required. 49 CFR § 37.131(b)(3)

Once a pick up time is negotiated, there's what's known as the "ready window". Metro's ready window is more narrow than one hour. This is an area where Metro provides better service by having a shorter window. The vehicle can arrive 10 minutes before and up to 20 minutes after the scheduled pick up time.

Real time scheduling is done with some return trips such as doctor's appointments since it's not known when the person will be done so it needs to be flexible.

#### Slide 25 Paratransit Fares

- 1) The fare cannot exceed twice the fare including transfer and premium charged for fixed route. 49 CFR § 37.131(c)
- 2) Personal care attendants ride Free. 49 CFR § 37.131(c)(3)

Metro's cost to provide a ride on the fixed route bus is \$3.50 vs. \$28 on paratransit.

#### Slide 26

Paratransit Fares (continued)

3) Social Agency or other organization for agency trips (i.e. trips guaranteed to the organization) may be charged higher fare. 49 CFR § 37.131(c)(4)

Agency trips are when an organization calls Metro and says they want to have a certain number of guaranteed trips for a negotiated price. Booking these rides is

outside the paratransit situation and there's no regulation or limitation on what the paratransit agency can charge.

This situation is different than if someone from an organization is assisting a paratransit rider. Then the regular fare applies. An individual paratransit rider has the right to have an individual within the organization call and book a ride for them.

An agency could not book rides for 50 individuals in one call. The limit is 4 reservations in one call. If you need to make more than 4, you have to call back. That's so that people are not on hold for a long time and to prevent people from always getting a busy signal.

Other related comments included:

- Half of the local paratransit rides are not ADA paratransit. A good portion of those are directly funded by social service agencies that pay for those rides through other funding sources.
- A cost avoidance to ParaCruz is happening by the rides provided by social service agencies.
- Some people who don't live within the <sup>3</sup>/<sub>4</sub> mile are transported into the service area so that they can connect with a paratransit ride. Part of confusion is trying to understand how many people are being driven into the paratransit system who have one source of funding on the front end and a second source on the back end. These people could potentially be better served and for a lower price, if there was a vision of doing things differently. Without understanding all of these pieces, it's hard to form an opinion. (This item was placed on issues list.)
- A certain number of riders are being brought into the service area. Others are not being brought in, but are getting rides some other way like MediCal.
- There are also people completely within the service area whose rides are being paid for by services other than the ADA. That's also cost avoidance.
- It's not just a legal question, but has come up other ways that there's a shared vision to enhance service delivery and also be mindful of cost effectiveness. There needs to be an ability to distinguish the data in a way that looks at what's really working well and also at areas where we can increase or enhance service without going into an area that not cost feasible.
- Could we get data on the rides that Metro does not provide? Community Bridges may present some of this information.
- On this issue of rides outside the service area, how would we get this data? Paratransit is in transition now as is Community Bridges. In terms of statistics and analysis, Metro is not sure they can provide information in the next 3 months in terms of latent demand and who's out there. Maybe the Task Force could contribute some of the stories and information to the equation.

At this point, the Chair interrupted the discussion to poll the Task Force on the plumbing problem odors and loud equipment noise. A decision was made to continue meeting. A request was made to contain questions to legal questions. All

other issues are to be written on a pick up list. In light of the fact that some people may leave due to the challenging circumstances, the schedule and agenda items for the October meeting were confirmed and the presentation resumed.

Slide 27 Trip Purpose No restrictions on trip purpose. No priorities based on trip purpose. 49 CFR § 37.131(d)

Slide 28 Hours and Days of Service Must operate same hours and days as the fixed route service. 49 CFR § 37.131(e)

The regulations specifically exclude commuter service from the requirement of having to provide paratransit service in conjunction with a fixed route.

#### Slide 29

No Capacity Constraints

- 1) No restrictions on number of trips an individual will be provided;
- 2) No waiting lists for access to the service; and

Must provide for 100% demand.

#### Slide 30

No Capacity Constraints (continued)

3) No operational pattern or practice that significantly limits the availability of service to ADA paratransit eligible persons. 49 CFR § 37.131(f)

An operator can't do anything in the way they provide service that would significantly limit the availability of service to an eligible rider. For example, you couldn't have only one person answering the phone or pick up reservations every two days.

Slide 31 Potential Capacity Constraint Problems

- 1) Telephone reservation capacity and hold time;
- 2) Trip denials or missed trips;
- 3) On-time performance;
- 4) On-Board travel time;
- 5) Any other time-limiting factors.

Your plan has to be for 100% demand. There are unplanned circumstances, however, you can't plan for a missed trip.

On board travel times is an issue. Can't stop everywhere because it takes too long. FTA gives some guidance in this area.

Item for the pick up list: Compare fixed route and paratransit travel times for some standard routes.

#### Slide 32

**Due Process Rights** 

A Paratransit rider must be afforded adequate due process rights prior to any suspension or termination of service. FTA Compliant No.98208

In terms of removing people from the paratransit program, people have to be given due process rights. If someone is violent, you might require that they have a personal care attendant or you might have to put one of your people on a vehicle pending the outcome of the due process hearing.

Some operators have tried to institute a policy that says when you miss five rides you're out. However, the government says that you have to look at how many rides they missed in relation to how many rides they took. Because 5 rides, if you ride twice a day 30 days in the month, may not be substantial. The policy must be reasonable and not capricious.

There's a situation where a paratransit driver sued the transit agency based on the actions of the paratransit rider. The court said that the agency could be held liable in that circumstance because they did not provide a safe working environment or they took no action to protect the individual from the rider.

You'd need to go through a similar due process hearing to deny fixed route service to someone because they need to be riding paratransit. The agency would have to have a factual basis with credible evidence to move the person to paratransit.

Slide 33 Operations/Equipment Requirements Subscription service. Equipment specifications. Proper maintenance of access-related equipment.

Regulations do not require the agency to allow subscription service. But if the agency does, it can only allow to book 50% of capacity. The 14-day advance reservation limitation still applies. Sometimes is a problem in that people forget to call.

There is a plus side to subscription riders that you can really schedule them well. Paratransit is not singular service. Just like the buses, it's shared service so you can have more than one person in the bus as long as you make allowances for the personal care attendant or friend or family member who wants to accompany the person.

Slide 34 Operations/Equipment Requirements Lift & securement use.

7-15

Accommodation of mobility aids & life support equipment. The provision of accessible information & communications. Employee training.

The only way that an agency can refuse to take life support equipment is if federal hazardous materials laws don't allow you to take that type of equipment on a vehicle. People are allowed to take service animals on board.

#### Slide 35

Compliance/Enforcement

- 1) DOT Federal Transit Administration Office Of Civil Rights:
  - a. On-site Assessments of Fixed Route and Paratransit Programs;
  - b. Administrative Enforcement (can Jeopardize FTA funding).
- 2) United Stated Department of Justice:
  - a. Seeks compliance through administrative Proceedings and litigation.

#### Slide 36

**Compliance/Enforcement** 

3) Private Individual:

- a. Can pursue complaint through METRO's internal grievance Procedures;
- b. Can file an administrative complaint With FTA or DOJ;
- c. Can file a civil lawsuit (attorney's fees included in judgment.
- d. Lawsuit can include state law violations and request injunctive relief.

## PICK UP LIST

The following concerns came up during the presentation for future discussion and/or research:

1. Eligibility Determination

- Qualified Staff
- Appeals Process

2. Outside Service Area

- Cost/Benefit Analysis
- Pros and Cons (of expanding service area)
- Compare to all Metro Services
- Crossing the county line (outside the jurisdiction)
- 3. Group vs. Individual Rides (for ADA-eligible person)

4. Request Data on:

- Number of ADA-eligible people outside the service area
- Including the number brought into the Service Area
- And the number of agency rides covering the area outside the Service Area
- 5. Criteria for Travel Time compare between fixed route and paratransit
- 6. Subscription Service (avoid no shows)

#### 6. Mandates and Program Requirements (continued to October 20 meeting)

- b. Community Bridges
- c. Others

#### 7. ADA Paratransit Implementation Update (continued to October 20 meeting)

- a. Response to Suggestions raised at last meeting
- 8. Next Meeting The next meeting schedule was confirmed.
- a. <u>Date, Time & Place</u>: Wednesday, October 20, 2004 from 2:00 5:00p.m. at the Santa Cruz Civic Auditorium, ABC Room, 307 Church Street, Santa Cruz.
  - b. <u>Agenda Items</u>: The following agenda items will be continued to the October 20 meeting.
    - 1. Mandates and Program Requirements
      - a. Community Bridges
      - b. Others
        - Metro Exceeds Legal Requirements (Paul Marcelin-Sampson)
        - MedCAP Issue Brief (Paul Marcelin-Sampson)
    - 2. ADA Paratransit Implementation Update
      - a. Response to Suggestions raised at August Task Force meeting
    - 3. Demographics and Definitions (Pat Spence and Paul Marcelin-Sampson)

# **These potential agenda items were not discussed:** Funding Efficiency and Effectiveness OR Customer Service/Satisfaction

#### 9. Adjourn

The meeting adjourned at 5:00pm.

Respectfully submitted by,

Tegan Speiser Sr. Transportation Planner

# The majority of the Task Force (13 members) constitutes a quorum for holding the meeting. Member agencies self-appointed, by SCMTD (M) or SCCRTC (R).

# SANTA CRUZ METROPOLITAN TRANSIT DISTRICT

DATE: October 8, 2004

ACTION REQUIRED

TO: Board of Directors

**FROM:** Margarel Gallagher, District Counsel

#### SUBJECT: CONSIDER AUTHORIZING THE GENERAL MANAGER TO EXECUTE A LEASE AMENDMENT WITH ALI GHARAHGOZLOO AND JESSICA HSU TO ALLOW THE TENANTS TO CANCEL THE TERM OF THE LEASE IN DECEMBER OF 2004 FOR THE GROCERY STORE LEASE

## I. RECOMMENDED ACTION

Authorize the General Manager to execute an Amendment with Ali Gharahgozloo and Jessica Hsu to allow the tenants to cancel the term of the Lease in December of 2004 for the Grocery Store Lease.

#### II. SUMMARY OF ISSUES

- Ali Gharahgozloo has operated the convenience store at the Watsonville Transit Center since the opening of the Center. He has also been responsible for the janitorial, maintenance and on-site manager duties.
- The Lease for the grocery store is a five-year term, set to terminate on September 30, 2005, with no extensions.
- Mr. Gharahgozloo has requested permission to cancel the current Lease as of December 31, 2004 so that a Request for Proposals for the space can be sent out to the public.
- Mr. Gharahgozloo's wish is to recapture the new Lease with a new five-year term and a five-year extension, so that he can sell the Lease to a third party. Mr. Gharahgozloo has been advised that there are no guarantees that he will be awarded the new lease.

## III. DISCUSSION

Ali Gharahgozloo has operated the Transmart Convenience Store, currently called Jessica Grocery Store, Inc., located at the Watsonville Transit Center since the opening of the Center. He has also been responsible for the maintenance and the on-site manager duties.

Mr. Gharahgozloo wishes to cancel the Lease currently set to terminate in September 2005, in December 2004. It is his hope that when the space is rebid for proposals, his proposal will be accepted for a new Lease that will include an initial term of five years with an option to extend the Lease for an additional five years.

The Lease Agreement includes leasing 590 square feet of space in the terminal building at the center. The Tenant is also required to provide janitorial services, maintenance services, on-site management, ticket sales and transportation information services.

Eventually, Mr. Gharahgozloo wishes to sell the Lease for the grocery store, together with the current Lease for the Asian food restaurant that he operates at the Watsonville Transit Center to a third party.

Santa Cruz METRO's Legal Department received a notice that Mr. Gharahgozloo and Ms. Hsu wish to cancel their current Lease at the end of December 2004.

# IV. FINANCIAL CONSIDERATIONS

Rent for the grocery store space is currently \$1,281.33 per month. Mr. Gharahgozloo also receives monthly compensation in the monthly amount of \$3,727.52 for providing janitorial services, maintenance services, on-site management, ticket sales and transportation information services at the Watsonville Transit Center.

## V. ATTACHMENTS

None
